The Mating Game:

The Mating Game Lana Ferguson, 2015-12-02 Two wolf shifters reluctant to love discover there's no fighting the call of the wild in this steamy romance by USA Today bestselling author Lana Ferguson Contractor Tess Covington has spent her entire life as a regular non-shifter human so after she lands in the Denver ER with flu-like symptoms it comes as a complete shock to be told that no, she's not sick she's actually a late-presenting omega wolf shifter With her family in dire financial straits and a contract for her own television show on the line she can't afford not to complete the renovation job she came for And given that her newly emerged wolf is in danger of going into heat she'll just have to do her best to follow the doctor's advice to keep away from alpha shifters Alpha wolf Hunter Barrett has spent most of his adult life living by a routine and a big part of that involves staying clear of omegas after having one stomp on his heart So when the tiny contractor shows up at his place smelling like the one thing he's determined to avoid he thinks it must be some sort of cosmic joke But with his lodge on the verge of failing and this sweet smelling omega his only hope to turn things around he's left with few other options than to grin and bear it Set on avoiding each other as much as possible they find things unexpectedly starting to heat up between them enough to thaw even the frostiest of hearts Though even with the pair going head over paws for each other there's no changing that their fling has an expiration date The more time they spend together the more they realize they're playing a dangerous game one where the only thing on the line is their hearts **The Mating Game** Barbara Kimenyi, 1992

The Mating Game Jonathan Lueckert, 2007-02-01 A sensuous exhilarating ride through romance that takes an intimate look into the passions and pitfalls of modern urban life Trey Vince and Erika are best friends all single who live in Washington D C and are on the lookout for love Blessed with intelligence successful careers and good looks one would think the dating scene would be a snap for them However despite their charm wit and achievements none of their diverse approaches to the dating game are getting results In **The Mating Game** Jonathan Lueckert examines the lives of these three friends who seem to have it all except someone to share it with Trey is an often arrogant ladies man with a quick tongue and dapper good looks His friend and alter ego Vince is the ruggedly handsome hopelessly romantic Renaissance man who is searching high and low for his ideal mate And then there is the confidant beautiful no-nonsense Erika who thinks she has found the man of her dreams only to find out the opposite However when two mysterious women enter the scene their lives and their friendships are turned upside down From the streets of Washington and New York to the steamy French Quarter of New Orleans Trey Vince and Erika leave a trail of pandemonium in their wake as they search for love sometimes in all the wrong places **The**
