The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ *The Gospel According to Christ* answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

The Message of Jesus Bennett Harvie Branscomb, 1926 **The Message Jesus Preached** Shane James, 2015-10-27 THINGS WERE DIFFERENT IN THE CHURCH JESUS STARTED We sing songs to Jesus We pray to Jesus But do we really know and understand what Jesus preached Before you say Yes and move on consider these shocking facts Most messages preached today have nothing to do with Jesus core message Christian universities that train pastors missionaries and priests dont have courses that teach what Jesus taught and its been this way for hundreds of years The majority of believers in Christ

have little or no understanding of what Jesus said or what He meant when He said it God is realigning His church with the message Jesus preached and Hes doing it to prepare us for Jesus return Get ready for a journey through the Bible that will help you Challenge your Christian experience and knowledge of Jesus teachings Learn the true heart of Christs teachings as recorded in Gods Word Discover the Kingdom life Jesus provided for exemplified and taught Shed any belief barriers that have inhibited your spiritual life to this point Embrace and renew a walk with God that is alive growing fresh and purposeful

Jesus Christ Burton Hamilton Throckmorton,1998-01-01 Eschewing both fundamentalist rigidity and humanist revisionism Throckmorton discusses the traditional identity and nature of Jesus as portrayed in the Gospels While keeping a close eye on historical detail he explores and explicates the profound and lyrically spiritual implicat ions of the life and meaning of Christ Back cover [The Kingdom of God](#) John Fuellenbach,2006-04-01 The fruit of many decades of study and teaching *The Kingdom of God* provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age *The Kingdom of God* begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable *The Kingdom of God* is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide *The Kingdom of God* will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come ***The Message of Jesus to Our Modern Life*** Shailer Mathews,1915 *The Message* Eugene H. Peterson,1998 Paraphrased by Peterson in easy to read modern English 6 3 8 X 9 3 8 % Font size 10 ***The Message of Jesus to Our Modern Life*** Shailer Mathews,1925 ***The Institute ...*** ,1917 *JOURNEY WITH JESUS THROUGH THE MESSAGE OF MARK* Kieran Beville,2015-03-01 *Journey with Jesus through the Message of Mark* is an insightful and engaging survey of Mark s Gospel exploring each major section of the text along with key themes It is a work that can be enjoyed by laypersons as well as pastors and teachers Pastors will find the abundant use of illustrations to be helpful in preparing their own messages and as such it will find a welcome place in the preacher s library Simply powerfully with great precision and exegetical accuracy Kieran Beville masterfully brings us on a life transforming journey Readers will be both

inspired and challenged as they hear the words of Jesus speaking afresh from the page of Scripture and experience the ministry of Jesus in a spiritually captivating way The author has a pastor s heart a theologian s mind and a writer s gift His style is gripping as he beautifully explains and illustrates Mark s Gospel Kieran Beville has done a great service to the church and especially to true believers who desire to grow in grace increase in their knowledge of truth and experience the intimacy joy and undeserved and unspeakable privilege of walking as disciples with Jesus This book is ideal as a study companion for Mark s Gospel One can read a section from the gospel and then read the corresponding section to receive a fresh viewpoint and a practical application The author often helpfully refers to background and historical information from the Ancient Middle East that would not otherwise be easily understood by modern western readers Many times there will be cross references to other passages of Scripture thereby connecting Mark s writing with other important passages from the Bible Other times the author provides insights from current events history literature church life or his rich personal experience These draw out the ongoing relevance of the Gospel of Mark Journey with Jesus is coordinated with the chapters of Mark Each section is divided appropriately with the modern scholarly understanding of the Gospel The volume concludes with helpful essays on Who Killed Jesus Judas Iscariot and Pontius Pilate Liberating the Gospel David Smith,2020-04-28 Liberating the Gospel is prefaced by Tom Wright s claim that Christians have for too long read scripture with nineteenth century eyes and sixteenth century questions and that it is urgently necessary they learn to read with first century eyes and twenty first century questions The central section of the book concentrates on reading the narratives of the Galilean ministry of Jesus within their first century context then exploring Paul s mission in the setting of the urban and imperial world of Rome before offering reflection on the Apocalypse in the changed world following the destruction of Jerusalem Smith then concludes his treatise facing the twenty first century questions seeking to build a hermeneutical bridge to our globalized world As a whole this major book on Christian mission aims to contribute toward an understanding of how the dynamic message of Christ might be liberated to be heard as genuinely good news today in the process potentially transforming Christianity provided there is willingness to face opposition from a world resistant to the exposure of its injustices **The Message and Ministry of Jesus** David A. Fiensy,1996 This book presents an introduction to the ministry and message of Jesus by combining topical and chronological approaches Topics discussed include highlights of the words and teachings of Jesus and the main events of his ministry background information on Judaism to aid in understanding the context of Jesus words and actions main issues and debates in the research of the historical Jesus the most important ancient documents that help in understanding the Gospels the Dead Sea Scrolls Nag Hammadi Scrolls Talmud and Josephus **The Watchtower** ,1926 *The Methodist Review* ,1930 **The Congregationalist** ,1920 **The Outlook** Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1904 **Church Missionary Intelligencer and Record** ,1919 *The Message of Jesus to Our Modern Life* Shailer Mathews,1931
