

6 POLICIES FOR TENANT POWER

With strong tenant protections in place, it's harder for landlords to take advantage of tenants. Here are six of the top protections tenant organizers are fighting for, and what they would mean for renters.

Good Cause Eviction

Tenants may only be evicted for non-payment or lease violations and must be offered lease renewals.

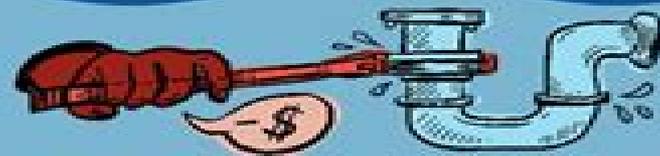

Tenant Opportunity to Purchase

Tenants whose building is being sold are given the first right to purchase the property.

Right to Organize/Protection from Harassment

Landlords are prohibited from threatening or taking retaliatory actions against tenants who complain, assert their rights, or organize in any way.

Right to Habitability

Tenants have an enforceable right to a safe, decent, up-to-code living space and can redirect rent to make repairs.

Right to Counsel

Tenants facing eviction are provided with no- or low-cost legal representation.

Rent Regulation

Landlords have limits on how much and how often they can increase rent.

The Tenants

Howard Archibald Turner

The Tenants:

Regulations for the tenants of ... James Earl of Fife, within the county of Elgin. [Drawn up by W. Rose, Baillie.] William Rose (baillie to the Earl of Fife.),1776 The Tenants in the Vineyard John S. Kloppenborg,2006 John S Kloppenborg gives a detailed analysis of one of the most difficult of Jesus parables the parable of the Tenants Mark 12 1 12 Gospel of Thomas 65 He examines the ways in which Christians have typically read and mis read the parable and places the parable firmly in the context of the practices of ancient viticulture The author models a new approach to the interpretation of the parables of Jesus First he critically engages the history of interpretation of the text inquiring into the ideological interests that the parable has engaged during the history of its use in Christian churches and in political discourse Second he reconstructs the social world in which the parable was first told in particular the economic social and legal aspects of ancient viticulture He demonstrates that the parable of the Tenants has mostly been interpreted from the standpoint of those who wield social and political power a strange irony considering the social status of the Jesus of history and the literary uses of the parable All of the features common to the parable as it is told by Mark and the Gospel of Thomas make it a perfectly realistic story It is only Mark s editing of the story that takes it beyond the realistic idiom characteristic of Jesus other parables The book concludes with a dossier of 58 papyrus documents relating to various aspects of viticulture and agrarian conflict It was awarded the 2007 Francis W Beare Book Award by the Canadian Society of Biblical Studies **The Ownership of Tenant Farms in the North Central States** Howard Archibald Turner,1926 The Tenant Right of Ulster: what it Is, and how Far it Should be Legalized and Extended to the Other Provinces of Ireland.
