Zion's Hope ,1910 *Oral Tradition Narratives of the Emai People* Ronald P. Schaefer,Francis O. Egbokhare,2000 This collection of seventy prose of narrative samples represents the only published record of the oral tradition of the Emai people of southern Nigeria The narratives are presented in both Emai orthography and English translation They tend to portray everyday cultural practices of the Emai with human characters or their animal personification As such they provide an initial glimpse of Emai cosmology cultural values and social norms as well as a firm impression of how Emai grammatical resources function in spontaneous narrative discourse Ronald P Schaefer is Professor at the College of Arts and Sciences Department of English Language and Literature at the Southern Illinois University at Edwardsville Francis O Egbokhare teaches at the University of Ibadan in Nigeria

This is the Night They Come For You Robert Goddard,2022-03-24 A pulse pounding breathless crime thriller perfect for fans of Anthony Horowitz s Hawthorne series Robert Galbraith s Cormoran Strike series and LJ Ross s Alexander Gregory thrillers Truly ingenious The Tablet Goddard sprinkles head turning double crossing with delightful by play between his two leads Times Fast paced beautifully crafted with some excellently drawn characters engages from start to finish Choice Magazine Goddard writes amazing novels of mystery suspense His new one is magical and the title is simply the best Stephen King _____ On a stifling afternoon at Police HQ in Algiers Superintendent Taleb coasting towards retirement with not even an air conditioned office to show for his long years of service is handed a ticking time bomb of a case which will take him deep into Algeria s troubled past and its fraught relationship with France To his dismay he is assigned to work with Agent Hidouchi an intimidating representative of the country s feared secret service who makes it clear she intends to call the shots They are instructed to pursue a former agent now on the run after twenty years in prison for his part in a high level corruption scandal But their search will lead them inexorably towards a greater mystery surrounding a murder that took place in Paris more than fifty years ago Uncovering the truth may be his responsibility but Taleb is well aware that no one in Algeria wants to be reminded of the dark deeds carried out in the struggle for independence or in the violence that has racked the nation since Before long he will face a choice he has long sought to avoid between self preservation and doing the right thing And ultimately the choice may not even be his to make The new novel from Robert Goddard **THIS IS THE DAY THEY DREAM OF** is available for pre order now
