**The Sun Also Rises (Classic Reprint)** Ernest Hemingway, 2018-09-11 Excerpt from *The Sun Also Rises*: There is nevertheless a genuine naïveté in Hemingway's work. He clearly prefers people who are either naïve or so direct in their desires and emotions as to break into naïveté under the slightest stress. To call him as one critic has the most sophisticated writer in English seems to me nonsense. To be skilful is not to be sophisticated. But this trait of naïveté is closely related to the very *raison d'être* of Hemingway and must be discussed much more broadly than if it were merely technique.
