Temptations of Jesus in Early Christianity Jeffrey Gibson,2004-11-11 This study lays the groundwork for establishing the validity of the thesis that the early church held a selective and unified view of the nature and content of the various temptations to which Jesus was regarded as having been subjected in his lifetime This leads to a clearer view of how the early church perceived the exigencies of its Lord s mission and message and provides fresh insights into key New Testament themes such as sonship obedience faithfulness and discipleship It also opens up new possibilities for firmly establishing the occasion of those New Testament writings such as the Gospel of Mark and even the Epistle to the Hebrews where notice of and appeal to the example of Jesus in temptation appears prominently *Billboard* ,2000-07-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Ebony* ,1975-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
