The Beckoner

B. H. Day

The Beckoner:

The Beckoners Carrie Mac, 2004-09-01 A chilling portrait of the bullying and violence that is all too common in schools. The Beckoners illustrates the lure of becoming tormentor rather than victim and the terrible price that can be exacted for standing up for what is right. When her mother suddenly moves them to a new town, Zoe is unhappy about leaving behind what passes for a normal life. And when the first person she meets turns out to be Beck, who rules her new school with a mixture of intimidation and outright violence, she is dismayed. But she has no idea how bad things will get. Unsure of herself and merely trying to fit in, Zoe is initiated painfully into the Beckoners, a twisted group of girls whose main purpose is to stay on top by whatever means necessary. Help comes from unlikely quarters as Zoe struggles to tear loose from the Beckoners without becoming a target herself while also trying to save April or Dog as she is called from further torment. **The Beckoner** Adrienne Jones, 1980-01-01 Haunted by visions of a strange young man, Kate retreats to a village along the Oregon coast and begins to unravel the mysteries of her inner self. We Do Stan Tatkin, PsyD, MFT, 2018-12-01 If you and your prospective partner adopt the principles and skills I describe here, your relationship will be successful, not just for starters but for the long run. An indispensable guide for any couple ready to set the foundation for a loving and lasting union. Committing fully to a loving partnership, as we can be one of the most beautiful and fulfilling experiences you'll ever have. Yet as anyone in a long-term relationship will tell you, it can also be one of the most challenging. Almost half of all first marriages end in divorce, and chances go down from there. So how do you beat the odds? All successful long-term relationships are secure relationships, writes psychotherapist Stan Tatkin. You and your partner take care of each other in a way that ensures you both feel safe, protected, accepted, and secure at all times. In We Do, Tatkin provides a groundbreaking guide for couples. You'll figure out whether you and your partner are right for each other in the long term, and if so, give your relationship a strong foundation so you can enjoy a secure and lasting love. Highlights include: Create a shared vision for your relationship, the key to a strong foundation. It's all about prevention: learn tools and techniques for preventing problems before they occur. Understand how to work with the psychological and biological influences in your relationship: neuroscience, arousal regulation, attachment theory, and more. Numerous case studies with helpful examples of healthy and unhealthy interactions, sample dialogues, and reflections. Dozens of exercises: the newlywed game, reading facial expressions, and many more fun and serious practices to develop intimacy and security. Handling conflict: how to broker win-win outcomes. Build a loving relationship that helps you thrive and grow as both individuals and a couple. Common interests, physical attraction, shared values, and good communication skills are the factors most commonly thought to indicate a good partnership. Yet surprisingly, current research reveals that these are only a small part of what makes for a healthy marriage; much more important are psychological and biological influences. With We Do, you'll learn to navigate these elements and more, giving your relationship the best possible chance to succeed. **The Last Journals of David Livingstone in Central Africa, from 1865 to His**
