Kodiak ... a Chocolate Labrador Retriever and My Best Friend Edward John Lesky, 2010-03. Kodiak, a Chocolate Labrador Retriever, is a chronicle detailing the wondrous bond and adventures shared between the author and his friend over the thirteen-year period they spent together. The author describes Kodiak as absolutely the most intelligent dog he's ever known, and their move to the mountains of western Montana following retirement provided the backdrop for animal and wilderness experiences not typical in pet-human relationships. This book is filled with entertaining anecdotes, fascinating wildlife encounters, and melancholy recollections sure to entertain readers of all interests and backgrounds. Kodiak was loving, headstrong, and enjoyed a full life unencumbered by leash or fence. This book follows that journey from his time as a puppy in Texas to its inevitable and ultimate conclusion many years later.

Somedays You're the Dog, Somedays You're the Fire Hydrant Steven B. Reider, 2020-07-21. Steve Reider is the doctor of dogdom, the pooch prognosticator, the wizard of woof, the muse of mutts, and the canine clarion. Nobody explains and describes the touching and hilarious intersection between the world of dogs and their human partners like Steve Reider. In his book *Somedays You're the Dog, Somedays You're the Fire Hydrant*, Steve has captured the wonderful, touching, hilarious, mystical, and precious relationships between dogs and humans in ways that anyone who has ever had a dog will understand. His stories and their accompanying illustrations will make you howl with laughter while simultaneously encourage you to reflect on the meaning of life. Most importantly, you will deeply appreciate how the world seen through a dog's eyes provides a fitting metaphor for our human foibles and imperfections. *Somedays You're the Dog, Somedays You're the Fire Hydrant* is, without question, a funny book. But when one steps back a minute and considers its broader message, it becomes clear that Steve Reider has given us a unique window through which we can see the many ways that dogs help to cast a brighter light on the joys, sorrows, frustrations, contradictions, and hilarities of our own lives and of our fellow humans.
