## **The Jesus Hope:**

**The Jesus Hope** Stephen Travis, 1974 This is a book about hope In days when hope is in short supply I am persuaded that belief in the biblical promise of the return of Jesus Christ is the only realistic way to face the future I have tried throughout the book and especially in the last three chapters to show how the Christian hope is not a matter for tickling our minds but for changing our lives and for influencing society Given by Guild of Church Brailleists [The Risen Jesus and Future Hope](#) Gary R. Habermas, 2003 Always be prepared wrote the apostle Peter to give an answer to everyone who asks you to give the reason for the hope that you have Reading and digesting this book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future

*Jesus, God's Gift of Hope* Kay Arthur, 2003 This beautifully designed gift book will help readers connect personally with the birth and life of Christ as it reveals the heart changing message this story holds for each child of God [The Hope of Glory](#) Jon Meacham, 2020-02-18 NEW YORK TIMES BESTSELLER Pulitzer Prize winning author Jon Meacham explores the seven last sayings of Jesus as recorded in the Gospels combining rich historical and theological insights to reflect on the true heart of the Christian story For Jon Meacham as for believers worldwide the events of Good Friday and Easter reveal essential truths about Christianity A former vestryman of Trinity Church Wall Street and St Thomas Church Fifth Avenue Meacham delves into that intersection of faith and history in this meditation on the seven phrases Jesus spoke from the cross Beginning with Father forgive them for they do not know what they do and ending with Father into thy hands I commend my spirit Meacham captures for the reader how these words epitomize Jesus s message of love not hate grace not rage and rather than vengeance extraordinary mercy For each saying Meacham composes an essay on the origins of Christianity and how Jesus s final words created a foundation for oral and written traditions that upended the very order of the world Writing in a tone more intimate than any of his previous works Jon Meacham returns us to the moment that transformed Jesus from a historical figure into the proclaimed Son of God worshiped by billions *I Am Jesus* I Am Jesus Project, 2023-04 You live in a world where trust is hard love is temporary and life seems so difficult If you are like most people you often wonder if there is something more to life You want to trust and have stability in your life You want to experience lasting love and be loved You want to be able to provide for those you love and care for The answer has always been in Jesus who created you to trust love

and walk with you through life's ups and downs Jesus Christ alone brings healing wholeness and transformation Jesus is the Way the Truth and the Life Jesus brings hope Hope that He is listening Hope that He cares Hope that brings a vision of a better tomorrow and a future that awaits you in Heaven Reading the I Am Jesus book is like sitting down with Jesus and listening to Him tell His story It is not dull or over your head it is relevant to every aspect of your life We promise that it will be worth your time and investment *Receiving Christ's Hope* Sarah Young, 2015-07-28 In *Receiving Christ's Hope* the third study in the Jesus Calling Bible Study Series you will explore the promises God makes to you in His Word about finding your shelter and security in Him Jesus said Peace I leave with you my peace I give you John 14:27 As you allow God's love to seep into the inner recesses of your being put aside your own plans and let the light of His presence fill your mind you will experience His perfect peace that transcends all understanding Philippians 4:7 Sessions Include Our Hope Is Future Directed Our Hope Is In God's Presence Our Hope Is In God's Abundance Our Hope Is In God's Eternal Promises Our Hope Is In the Earth's Transformation Our Hope Is In the Resurrection Our Hope Grows In Perseverance Our Hope Leads to Strength Each of the Jesus Calling Bible Studies include devotional readings from Jesus Calling selected passages of Scripture for reflection Bible Study questions and additional questions and activities to help you apply and live out the material during the week This study can be used for personal reflection and Bible study or in a small group setting **God, the World, and Hope** Harald Hegstad, 2018-10-31 Who is Jesus Christ What does it mean to say that we are created in the image of God What does salvation mean What is the meaning of baptism What characterizes the Christian fellowship What hope does a Christian faith give for the future These are only a few of the questions that this textbook on dogmatics takes up This book begins the discussion of the various topics by looking at what the Bible has to say Hegstad then examines how the church's doctrine has developed over the course of history and discusses how the Christian faith can best be formulated today This book understands the Christian faith as an answer to universal existential questions that challenge all religions and worldviews Dogmatics is understood here as the expression of a Christian interpretation of life Hegstad himself belongs to the Lutheran church tradition but his perspective is consistently ecumenical This introduction to dogmatics will interest not only students but everyone who is looking for a deeper insight into the Christian faith *The Spring of Hope* Douglas Dales, 2021-07-15 Sermons for many occasions throughout the Christian year which can be a source of comfort and strength for those alone on their Christian journey or inspiration for preachers **A Hope-Filled Life** James R. Wilkes, 2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now *A Hope Filled Life* seeks to define biblical hope and provide a practical theology for understanding and

applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope

**The Firstborn of Many: To hope in Jesus Christ** Donald L. Gelpi,2001 Content Description v 1 To hope in Jesus Christ

**Preaching from Memory to Hope** Thomas G. Long,2009-03-19 In this compelling and hard hitting book respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today The issues he says are fourfold the decline in the quality of narrative preaching and the need for its reinvigoration the tendency of preachers to ignore God s action and presence in our midst the return of the church s old nemesis gnosticism albeit in a milder form evidenced in today s new spirituality and the absence of eschatology in the pulpit Long once again has his finger on the pulse of American preaching demonstrated by his creative responses to these challenges Whether he is calling for theologically smarter and more ethically discerning preaching providing a method of interpretation that will allow pastors to recover the emphasis on God in our midst or encouraging a kind of interfaith dialogue with gnosticism he demonstrates why he has long been considered one of the most thoughtful and intelligent preachers in America today

**The Christian Hope** William Adams Brown,1915

**Jesus Christ** Joseph Thompson Gibson,1915

**Jesus, the New Adam** Dennis J. Billy CSsR,2017-11-15 This book retells the narrative of Christ s redemptive journey by looking at some of the Gospel s underlying assumptions and showing how they are both reasonable and credible For Christians faith is not contrary to reason but presupposes and even builds on it This faith asks us to put aside whatever preconceptions we may have regarding the Gospel message and listen with an open heart to the way it speaks to the universal human condition The seed of hope buried deep within the mythologies of old is nothing but a faint reflection of God s dream for his creation For Christians this dream has entered the arena of history in the person of Jesus Christ the New Adam who sheds light on our human condition by making all things new Rev 21 5
