The Jesus Way:

The Jesus Way Eugene H. Peterson, 2009-03-01 Christianity Choosing the Jesus Way Angela Tarango, 2014-04-21

Choosing the Jesus Way uncovers the history and religious experiences of the first American Indian converts to Pentecostalism Focusing on the Assemblies of God denomination the story begins in 1918 when white missionaries fanned out from the South and Midwest to convert Native Americans in the West and other parts of the country Drawing on new approaches to the global history of Pentecostalism Angela Tarango shows how converted indigenous leaders eventually transformed a standard Pentecostal theology of missions in ways that reflected their own religious struggles and advanced their sovereignty within the denomination Key to the story is the Pentecostal indigenous principle which encourages missionaries to train local leadership in hopes of creating an indigenous church rooted in the culture of the missionized In Tarango s analysis the indigenous principle itself was appropriated by the first generation of Native American Pentecostals who transformed it to critique aspects of the missionary project and to argue for greater religious autonomy More broadly Tarango scrutinizes simplistic views of religious imperialism and demonstrates how religious forms and practices are often mutually influenced in the American experience **Ten Movements of the Jesus Way** Graham Joseph Hill, 2026-07-28

Walking the Radical Path of Jesus in Today s Fractured World In our current cultural moment we are fractured by political polarization performative religiosity consumerism nationalism and deepening inequality Christians need to resist these forces with the alternative spiritual and theological vision of the Jesus Way Ten Movements of the Jesus Way is a call to reimagine discipleship not as belief alone but as a life radically shaped by the sacrificial way of Jesus Rooted in Scripture and global Christian traditions theologian Graham Hill offers a prophetic invitation back to the radical countercultural path of Jesus a path marked by humility servanthood justice and love Hill guides readers through ten transformative movements such as Moving from material success to spiritual riches confronting the idolatry of wealth and status Shifting from power to servanthood exposing the ways Christians have clung to cultural dominance instead of Christlike humility Moving from exclusion to embrace challenging systemic racism xenophobia and the politics of division with the inclusive love of Jesus The Jesus Way is a path of deep love for God and neighbor where discipleship isn t defined by status or success but by sacrificial love radical generosity and faithful commitment to justice and reconciliation This book invites readers to walk that path living as a people who reflect Jesus in a world desperate for his hope and renewal Ten Movements of the Jesus Way features Embodied practices for living like Jesus in radical love and compassionate discipleship Practical ways to join God s mission to heal reconcile and renew the world A global perspective drawn from Scripture and diverse Christian traditions from African Asian Indigenous and Latin American expressions of faith Questions for reflection and discussion great for book clubs or small groups With Ten Movements of the Jesus Way discover how you can anchor your discipleship in the life and teachings of Christ reclaim a gospel that s been politicized and commodified and help restore the Western church **The**

The Jesus Way Study Guide Eugene H. Peterson, Peter Santucci, 2007-06-11 The third book in Eugene Peterson's momentous five volume conversation on spiritual theology The Jesus Way considers the way of the Lord that became incarnate and complete in Jesus Arguing that the way Jesus leads and the way we follow are symbiotic Peterson challenges the ways of the contemporary American church showing how they often obliterate what is unique in the Jesus way This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of The Jesus Way Peterson's discussion is broken up here into eleven sessions each of which contains a summary a list of key adjectives quotations to consider and questions for interaction ending with a select prayer from one of several traveling companions on the Jesus way

Zen Way-Jesus Way Tucker N. Callaway, 2013-01-08 This groundbreaking book successfully fuses the two overlapping traditions of Zen Buddhism and

Christianity Very few Christians who are interested in Zen Buddhism understand the fundamentals of the religion itself Most of the books which are available on Zen are superficial and fraught with caricatures and erroneous generalizations concentrating more on meditation than on the real essence of Zen Now the Christian who has been waiting for a clear and thorough explanation of Zen in terms he can understand has been provided with *Zen Way Jesus Way* a unique inside look at Christianity and Zen Buddhism by Dr Tucker N Callaway a committed Christian missionary who for twenty years has practiced zazen in Japanese temples in an effort to reach the heart of the faith Calloway has a knack for making philosophical concepts clear to the general reader and begins *Zen Way Jesus Way* by presenting the fundamental presuppositions of Zen and several of the concepts which are logically deduced from them Next he relates some of his experiences in Buddhist temples while explaining the practical applications of Zen philosophy Finally he interprets the Jesus Way in a manner that makes possible a genuine comparison with the Zen way

The Jesus Way Eugene H. Peterson, 2011-09-02 *The Jesus Way* part of Eugene Peterson's meaty conversations on spiritual theology A way of sacrifice A way of failure A way on the margins A way of holiness In *The Jesus Way* Eugene Peterson shows how the ways of those who came before Christ Abraham Moses David Elijah and Isaiah revealed and prepared the way of the Lord that became incarnate and complete in Jesus Further Peterson calls into question common ways followed by the contemporary American church showing in stark relief how what we have chosen to focus on consumerism celebrity charisma and so forth obliterates what is unique in the Jesus way
