The Sometimes River:

The Wyrmling Horde David Farland, 2008-09-16 The Saga of the Runelords is written in the finest tradition of Tolkien and other works that rise above the fantasy genre to special and individual heights Now the epic story continues at the end of Worldbinder Fallion Orden son of Gaborn was imprisoned on a strange and fantastic world that he created by combining two alternate realities It s a world brimming with dark magic ruled by a creature of unrelenting evil who is gathering monstrous armies from a dozen planets in a bid to conquer the universe Only Fallion has the power to mend the worlds but at the heart of a city that is a vast prison he lies in shackles The forces of evil are growing and will soon rage across the heavens Now Fallion s allies must risk everything in an attempt to free him from the wyrmling horde At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Snorkeling Rivers and Streams Keith Williams, 2020-02-20 Snorkeling Rivers and Streams takes readers on an underwater nature hike and chronicle adventures and discoveries in our amazing freshwaters This how to do it book is a perfect introduction to the growing sport of river snorkeling Readers will experience the thrills excitement and discoveries that can be found underwater and learn about the aquatic life of fish insects snakes frogs and turtles that live below the surface We often perceive that there isn t much to see beneath the surface of our rivers and streams but once we look underwater an amazing world appears Fish of all colors shapes and behaviors live in our freshwater ecosystems and we can experience incredible ecological feats as we witness thousand mile fish migrations and intricate spawning behavior The streams themselves create other worldly streamscapes You don t need to travel to exotic places for underwater discoveries You just need to don a mask and snorkel and explore the local stream *Environmental History of the Hudson River* Robert E.
