**The Songwriter's Journey** Menashe David Israel, 2020-05-21 The Songwriter s Journey is a handbook on the art of songwriting a useful guide to basic songwriting concepts and a compendium of observations on the craft A Handbook for the Songwriter s

Journey is a concise distillation of tried and true methods for songwriting excellence tied beautifully together with deep ruminations about life's intersection with the artform. The added bonus is Israel's vulnerable coming of age tale beginning at beauty and returning once again to beauty. This book helped me re-examine my relationship to songwriting and returned my attention to the fundamentals of my craft. I especially appreciate the chapter on Second Verse Hell and the whimsical re-definitions offered for common musical terms. I can see this book becoming a useful aid to my songwriting students in the near future.
