
A friend is someone you can count on,
Through the good times, and when things are gone.
They'll laugh and play games with you,
And help you see things that are new.

They'll be there for you, through thick and thin,
A true friend is always there to win.
With friends, you'll have adventures galore,
And make memories that will last forevermore.

They'll teach you to share, and be kind,
And show you that friendship is one of a kind.
So hold your friends close to your heart,
And never let them be apart.

For a friend is a treasure, to be treasured,
A companion for the journey, that will never be
measured.

So happy we're friends, you and me,
And together, we'll see the world, as it could be!

The Thin Veil Gordon Collins,2018-07-31 This series of poems explore the journey of the human soul and its connections with the world both material and immaterial time space nature and our subjective experience of consciousness and reality They aren t a philosophy or a theory about the subjects which they explore but simply one person s thoughts and feelings References to soul spirit or being are only an attempt to conceptualise and speak about phenomena or even possibly realities which exist beyond our concepts Words such as silence being and consciousness may point to some other level of existence which is in some way apart from the body and the mind but all I have to share is my being in this world **The Periodical**
