Thing That Is:

The Only Thing That Matters Neale Donald Walsch,2012-10-16 Something very unusual is occurring on this planet right now You have no doubt noticed it It may be producing a more than normal amount of challenge and disjointedness in your life and perhaps even some major upheavals You are probably noticing it in the lives of others as well For a while you may have thought that this was all just your mind playing tricks on you that things were not really happening any differently and that you re just a little tired a little overcommitted a little oversensitive But now as each day presents itself with obstacles mounting and challenges increasing and more and more personal issues coming up to be faced and healed it is apparent that all of this is not an illusion not an exaggeration So you may be asking Why is all this happening What am I doing wrong And here s the answer You re doing nothing wrong AND there is something very unusual going on right now in your life and all over the planet

Caught in the Power of a Thing That Cannot Be Seen Donna DiMarco,2019-02-19 We live it and love it We know in our belly it is a part of our human experience part of a greater portion that sets us here and starts the motion guides our destination and chisels our path Yes in spite of your fight or flight You are caught in the Power That Power I call GOD That thing we cannot touch or see that extraordinary intelligence that remarkable unknowing source that lives in your interior that makes its presence known in unheard subtle notions we cannot quite put our finger on It is there We know it we feel it deep in a part of us that will not acknowledge the same subtle murmurs that speak to us in the silence of our hearts and minds and simply allows our soul to live and breathe in this human experience Oh yes this I call GOD For information about Caught in the Power send e mails to dimarcoladyboss aol com

Jesus Is the Best Thing That Ever Happened to Humanity Uche C. Ekeh,2019-05-23 Before Jesus came earth more than two thousand years ago according to Christian calendar God as a name was representative of all deities in all religions Then came Jesus the Second Person in the Trinity the Son God and the Savior of all mankind with a revelation of the love of God for humanity and His will for those who would obey the gospel of Jesus Christ and also for those who would reject Him That is why He came to restore paradise back to humanity which it lost through Adam s sin In Jesus the Christ what humanity lost because of the sin of Adam is now recovered and restored to it only in Christ This book is given to be written to highlight that purpose God is calling all humanity by His only begotten Son to return to its Maker The heart of the Father is pleased with the sacrifice of God the Lamb of God which was slain from the foundation of the world That Jesus is the answer to everything which ails humanity is more profound than a slogan definitely more pristine than a lyric but certainly a truth that needs no emendation Uche C Ekeh holds a BBA degree in accounting from the University of the District of Columbia Washington DC an MA in Biblical Studies from Regent University in Virginia Beach Virginia a MEd in School Administration from Columbia International University in Columbia South Carolina Also Mr Ekeh holds an Ed S in School Policy and Leadership from the University of South Carolina in Columbia South Carolina He is the author of Words of Wisdom are Words of Life Presently he works with Pastor Mike
