The Revelations And Warnings Of Jesus To His Church Albert Heaney,2018-09-25 Given that Jesus has issued a warning that in the end times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was given to reveal future events in the end times and given that various interpretations of prophecies in the book are given by present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their eyes as to all that God has prepared for those who love Him **The Titus Diary** Gene Edwards,1999 This title is no longer available from Tyndale but it can be ordered from SeedSowers 4003 N Liberty Street Jacksonville FL 32206 In this fictionalized account of the apostle Paul s second missionary journey told through the eyes of Titus readers accompany Paul as he travels throughout Asia Minor and Greece and they listen in as he writes his letters to the Thessalonians Churches are started disagreements are settled persecution is endured and the life changing gospel moves forward
