**A Few Things I Learned Along the Way** Christa Flack, 2023-08-08 BCS A parable is defined as a simple story used to illustrate a moral or spiritual lesson as told by Jesus in the Gospels Someone once told me I spoke in parables Really Jesus I am not nor am I claiming to be the moral police far from it In this book are short glimpses of my life experiences and how the scriptures suddenly became clear to me during those moments I hope you enjoy and recognize there are times in your life when God is speaking directly to you I pray that when he does you listen Christa Flack *Sprouts of the Spirit* Ollie Marshall-Rico, 2014-05-08 The poems in *Sprouts of the Spirit* are centered on challenges that we face daily Some of the poems are light hearted while others may bring tears How we prevent challenges from controlling our lives is important Challenges may be small while others could alter our lives with a form of control Through God's grace and mercy we can overcome these challenges by allowing God to direct our path Whatever challenges face us we should try to alleviate them by focusing on a prayerful act for guidance This prayer should continue as we ask for solutions because different degrees of challenges will always exist so prayer should never be far from our mind Challenges are constantly placed upon us in this ever changing society How we cope with them determines our contentment God's words of scripture exist to instruct and guide us in our response to daily challenges When we believe in God it enables us to maintain a harmonious level of existence through His word And when we acknowledge others experiences which are similar to ours we become less isolated globally
