## **Would Jesus Really Do That:**

Would Jesus Really Do That? David C Cook,2004-03 Custom Curriculum allows you to address the issues that students face in today s world in a way that can be fully customized to be a perfect fit for your group **What Would Jesus Really Do?** Andrew Fiala,2007 What Would Jesus Really Do examines what Jesus says and doesn t say about complicated contemporary ethical issues including abortion euthanasia the death penalty war homosexuality and the family *Would You Lie to Save a Life* Michael Glenn Maness,2007-09-12 *Would You Lie to Save a Life Love Will Find a Way Home* A Theology on the Ethics of Love In 1968 Commander Lloyd Bucher and the USS Pueblo were pirated on the high seas They were held captive for 11 months and Bucher was forced to sign a confession forced to lie to save the lives of his men How does Love impact that decsion in a Christian theology Love makes the world go round Without Love little else has value this side of heaven In this dilemma between Love and Truth Love was chosen over Truth but not at the expense of all Truth Between the deontological and teleological elements time itself comes into play in the determination of the absolute rightness of the choice in perfect Love How is as capable as Jesus was and is today The course of Love is a sacred stewardship of time that is the highest exhibition of the Christian s own Imago Dei or image of God granted to us in creation When we are able to follow the Scarlet Thread of obedience perfectly it will lead straight through all of 1 the areas of complexity uniting 2 all of the demands of all of the absolutes and run dead center between 3 all of the ethical fine lines These three areas are detailed specifically The Church School Journal ,1882 *Independent and Weekly Review* ,1919 *The Greater Men and Women of the Bible: Mary-Simon* James Hastings,1915 **Young Learners' Lesson-book on the Gospel of Luke** Henry George Spaulding,1890 Jesus Was Woke Dr. Shelly J. Taylor,2024-10-21 Using Jesus s own words in his mission values and beliefs Dr Shelly J Taylor compiles examples of Jesus s own wokeness two thousand years before the term was created Through biblical examples Jesus is shown as the ideal example on how to treat others regardless of their gender sexual orientation race and creed This unique look into Jesus and his miracles and teachings is a message for Christians and non Christians alike to follow the example of one man who cared for the downtrodden and dejected of society an example to live by for the current and future generations of woke minded individuals About the Author Dr Shelly J Taylor is a licensed minister retired psychologist and a volunteer in their community who works daily and directly with those struggling Her hobbies include studying and learning multiple languages foster parenting and animal rescue Dr Taylor has a large family including many adopted children She currently has sixteen grandchildren and six great grandchildren **The Church of England Pulpit, and Ecclesiastical Review** ,1899 Light ,1909 What Would Jesus Really Do? Andrew Fiala,2007-03-20 For many years many Christians have exhibited bumper stickers and wrist bands challenging themselves to live up to WWJD What Would Jesus Do Now Andrew Fiala a professor who has encountered many such students in his classes objectively assesses just what it actually is that Jesus does and doesn t say about the essential moral issues that face us today

Andrew Fiala appreciates Jesus as a moral teacher with an ethical vision centered in love generosity forgiveness tolerance and peace But he argues that it is often difficult to determine exactly what Jesus would say or do about tough contemporary issues such as abortion euthanasia the death penalty war homosexuality and politics Hence Fiala believes we need to engage in philosophical reflection and critical thinking to arrive at answers to today s ethical questions that Jesus never anticipated such as those involving technology scientific discoveries ethical advances The book shows how philosophers and psychologists from Kant and Mill to Nietzsche and Freud struggled to make sense of the ethics of Jesus The book concludes by arguing that we cannot pretend that Jesus and the Bible provide all the answers to our ethical dilemmas although Jesus does provide perennial moral wisdom Thus Fiala shows that Jesus moral teachings must be filled out with contemporary ethical reflection to determine what Jesus as a moral ideal would really do today
