Wounded Bodyhealing Spirit:

Healing Spiritual Wounds Carol Howard Merritt, 2023-11-21 A timely template for reconciling the quest for spiritual fulfillment with our deeply flawed institutions and the people within them Salon Raised as a conservative Christian minister and author Carol Howard Merritt discovered that the traditional institutions she grew up in inflicted great pain and suffering on others Though she loved the spirituality the church provided she knew that because of sexism homophobia and manipulative religious politics established religious institutions weren't always holy or safe Instead of offering refuge these institutions have betrayed people's hearts and souls People have suffered religious abuse she writes which can be different from physical injury or psychological trauma Though participation and affiliation in traditional religious institutions is waning many people still believe in God Merritt contends that many leave the church because they have lost trust in the institution not in God Healing Spiritual Wounds addresses the church's dichotomous image as a safe space and as a dangerous place and provides a way to restore personal faith and connection to God for those who have been hurt or betrayed by established institutions of faith Merritt lays out a multistage plan for moving from pain to spiritual rebirth from recovering theological and emotional shards to recovering communal wholeness Merritt does not sugarcoat the wrongs institutions long seen as trustworthy have inflicted on many innocent victims Sympathetic understanding and deeply positive she offers hope and a way to help them heal and reclaim the spiritual joy that can make them whole again Anyone who has been hurt by the church needs this book Mike McHargue host of The Liturgists and Ask Science Mike podcasts

Healing Spiritual Abuse & Religious Addiction Matthew Linn, Sheila Fabricant Linn, Dennis Linn, 1994 Discusses the realities of spiritual abuse and religious addiction how they are defined the reasons they exist and how people can move beyond vulnerable life patterns in order to enjoy a more lifegiving relationship with God and with a healthy faith community **Spiritual Healing Capsules**

Nnaemeka Durueke, 2018-04-09 BackDescription The desire of God for us is not sickness pain and death He created the world for the pleasure and profit of man He never made sickness of any kind but He made all things beautiful for man to enjoy My dear friend I pray that everything may go well with you and that you may be in good health as I know you are well in spirit 3John 2 KJV The desire of God is that our body soul and spirit will prosper to His glory and praise The enemy the devil opened a channel to sickness and suffering when he tempted man in the Garden of Eden and man fell This failure meant that man lost the glorious body that cannot be sick but thanks be to God because God through the death of Christ on the cross has brought us all round healing and divine health Through the cross also we look forward to the complete restoration of our perfect glorious bodies that will know no form of sickness It is very true that God gave man the gift to cure diseases with drugs and other use of natural endowment but it does not deny the truth about divine healings and miracles Miracles are still happening today by the power and grace of God This can be your opportunity to witness or partake in divine healing through this book Just believe and trust in Jesus Christ for the miracles **The Supreme Wisdom of A Sage Vol. #2:**
