**The Divine Source** Razor Whitewolf,2005-02 When both parents left their home the five Wilson kids three boys and two girls ranging from twenty to twelve years old were left to fend for themselves They coped well with some help from Youth on Their Own Trouble started when a group of rowdies moved in next door loud parties drugs Sarah s illness and abduction the boys in a car chase and Deena s encounter with the biggest dog she had ever seen all happened within a short time At last the owners of the house next door returned home ousted the gang and began helping the Wilsons solve their problems Tim s scientific experiment was successful the two families became like one and they heard that Mister Wilson might return within a year The Wilsons had high hopes for the future and only wished that other teens on their own had as happy an ending as theirs

The Divine Source Razor Whitewolf,Shannon Shifflett,2005-02 It is not known when the cycle began but one thing is certain it will never end The remnants of an ancient civilization begin to uncover the forbidden past that left them in ruins A culture that spanned the universe is reduced to barely covering a singular plane Now even that meager life is threatened with utter annihilation Oblivion looms on the horizon and only a few can see it approaching The Dreamer is left to weave the Threads of Fate as the Keeper troubles the Waters of Destiny these evolved souls begin to twist the events in the Six Dynasties Through dreams and visions they awaken primary souls that sleep in this time of crisis Will those individuals accept their inner flaws and move past the mistakes that have held them back for countless lifetimes Or will they fall victim to this circle of seemingly inevitable events Truth is a novelty that has been secluded by the passage of time This web of lies hangs precariously in the balance Is hope an illusion another deception Or can that thread be taken into the right hands becoming the key to our next step in the evolution of the soul
