## **The Duel:**

The Duel Joseph Conrad,1908      **The Duel in Early Modern England** Markku Peltonen,2003-01-30 Arguments about the place and practice of the duel in early modern England were widespread The distinguished intellectual historian Markku Peltonen examines this debate and show how the moral and ideological status of duelling was discussed within a much larger cultural context of courtesy civility and politeness The advocates of the duel following Italian and French examples contended that it maintained and enhanced politeness its critics by contrast increasingly severed duelling from civility and this separation became part of a vigorous attempt in the late seventeenth century and beyond to redefine civility politeness and indeed the nature and evolution of Englishness To understand the duel is to understand much more fully some crucial issues in the cultural and ideological history of Stuart England and Markku Peltonen s study will thus engage the attention of a very wide audience of historians and cultural and literary scholars      Manhood and the Duel J. Low,2016-04-30 As cultural practice the early modern duel both indicated and shaped the gender assumptions of wealthy young men it served in fact as a nexus for different often competing notions of masculinity As Jennifer Low illustrates by examining the aggression inherent in single combat masculinity could be understood in spatial terms social terms or developmental terms Low considers each category developing a corrective to recent analyses of gender in early modern culture by scrutinizing the relationship between social rank and the understanding of masculinity Reading a variety of documents including fencing manuals and anti dueling tracts as well as plays by Shakespeare Jonson Middleton and other dramatists Low demonstrates the interaction between the duel as practice as stage device and as locus of early modern cultural debate      *Savannah Duels and Duellists, 1733-1877* Thomas Gamble,1923      University of Illinois Studies in Language and Literature ,1929      **The Conservator** ,1916      **Notes and Queries** ,1915      **The 1d Pictorial Magazine** ,1901      *Macmillan's Magazine* ,1874      The Windsor Magazine ,1900      *The Encyclopædia Britannica* Hugh Chisholm,James Louis Garvin,1926      *The New York Times Current History of the European War* ,1915      **The Advocate of Peace** ,1898      **The Scots Law Times News** ,1927      The Bystander ,1907      **The Catholic Encyclopedia: Diocese-Fathers** ,1909      **Phineas Finn, the Irish Member** Anthony Trollope,1893      **The Life of Henry A.
