A Meeting In The Ladies' Room Anita Doreen Diggs, 2012-06-12 In the rarefied world of Manhattan publishing most of the intrigue takes place in the books But all that is about to change for respected editor Jacqueline Blue It's not easy being one of the few African Americans in an overwhelmingly white industry Yet until now Jackie's biggest problem has been her unrequited love for Victor Bell a handsome member of the Black Pack her weekly professional group Does Victor prefer tall women Light skinned sisters But then comes the morning her boss is suddenly murdered It seems that Jackie was the last person to see Annabelle Murray alive and the circumstances were not pretty Jackie's fingerprints are all over the crime scene and to make matters worse she had sworn not to tell anyone why she was invited to her boss's home in the first place And just as everything is hitting the fan Victor asks her out to dinner Jackie knows that when it rains it pours but now she's knee deep in hot water and bailing herself out will be the toughest challenge she's ever faced Anita Diggs has displayed the pain the remorse the struggles and ultimately the hopes that everyday people face A story propelled by real people simply too
