**The Critical Thinking Effect** Thinknetic,2021-11-08 If you keep making mistakes and just can t seem to reach that next level Then keep reading Did you know that if you didn t listen to Mozart as a child you might be 8 10 IQ points dumber than you were supposed to be Okay not really But during the 1990s a generation of children was forced by their parents to listen to Mozart Because a study found it made children smarter However study after study couldn t replicate those results later Eventually researchers concluded that listening to ANYTHING while working resulted in higher intelligence testing How come did the idea become established as fact Because people fail to think critically When your team your boss or your company depends on you to make the correct decision time and time again you literally can t afford to be wrong It could cost a client money It could cost your company that client It could cost you your job The good news is you have the key to fix your problems It s a skill you just need to get better at using it That s why we wrote The Critical Thinking Effect to take you from good to great It s packed with examples exercises and actionable steps to get you thinking clearer today Here s just a smattering of what you ll find inside How to ethically brainwash your subordinates see how a manager employed critical thinking to get his team to do a COMPLETE 180 on a project they SWORE they d never work on How to spot lies sift through deceptions and have the confidence to know you ve made the best decision possible How to use X Ray vision on social media and news to tell fact from fiction Why you shouldn t name your child Wolfgang the dangers of misinterpreting data too literally How failure to think critically caused an experienced detective to miss a literal murder and what we need to learn from that real story The 10 most common cognitive fallacies and traps listed by a Cambridge Ph D how many are you committing on a daily basis How to have better relationships with your loved ones by recognizing their BS and your own What dueling ice cream shops can teach

you about lack of due diligence and much much more If you didn't listen to Mozart when you were in diapers the good news is you've still got a chance to develop critical thinking ability But if you just can't break through to that next level in life You won't magically develop the ability to make better decisions Do you want to stop second-guessing yourself make better decisions under fire and be the rockstar of your team Then supercharge your brain and get to that next level ASAP Scroll up and click Add to Cart

**Critical Thinking Junkie** Howie Junkie,2017-05-01 From the Desk of the How To Junkie for the Critical Thinking Junkie Howdy friend who wants to develop critical thinking In the old days where famous Greek philosophers like Socrates Plato and Aristotle would conglomerate in the public square Agora of Athens people from all over would gather around to listen attentively to their enlightening thoughts Why would people put their fate and trust in the credibility of these great orators words That's because they all had exceptional critical thinking abilities to be able to decipher fact from fiction to understand true from false and derive at insightful conclusions But wait Why should I care I have zero interest in being a philosopher you say Well think about it for a second Critical thinking is a skill you can use and have to improve your day to day function and productivity by allowing you to think sharply and clearly to easily solve problems and make better decisions within your life Shall we say more There are just immense benefits to being a better critical thinker But how do you go about developing your critical thinking skills By being a Critical Thinking Junkie you will know How to evaluate your own critical thinking process by going through the 5 Self-Critiquing Methods How to apply the Existentialism Gap to take control of your thoughts from making rash irrational decisions How to avoid the trap and danger of poor judgment by not being able to see viewpoints from every angle How to switch your brain around from the old way of thinking that may not have been working out for you to a better way How to think interdependently with other people involved to challenge you to push the boundary of your thoughts and full satisfied junkie more If you are still wondering why you would need critical thinking skills then you aren't thinking critically enough to see how much your life could improve when you start having more aha moments and better life choices So be the critical thinking junkie Signing off Your friend The How To Junkie

**Psychology In Modules** David G. Myers,2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations
