**Weekly World News** ,1990-09-04 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site Marriage at the Crossroads Marsha Garrison,Elizabeth S. Scott,2012-10-15 The institution of marriage is at a crossroads Across most of the industrialized world unmarried cohabitation and nonmarital births have skyrocketed while marriage rates are at record lows These trends mask a new idealized vision of marriage as a marker of success as well as a growing class divide in childbearing behavior the children of better educated wealthier individuals continue to be born into relatively stable marital unions while the children of less educated poorer individuals are increasingly born and raised in more fragile nonmarital households The interdisciplinary approach offered by this edited volume provides tools to inform the debate and to assist policy makers in resolving questions about marriage at a critical juncture Drawing on the expertise of social scientists and legal scholars the book will be a key text for anyone who seeks to understand marriage as a social institution and to evaluate proposals for marriage reform ...
