Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker s bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience s expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial *Def Comedy Jams* on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance Why Preach Peter John Cameron, 2009 Well known for his teaching writing and editing of *Magnificat* the widely popular monthly publication containing the Scripture readings and prayers for the Mass used weekly by several hundred thousand Catholics Fr Peter John Cameron O P offers here expert spiritual and practical help for priests pastors and seminarians desiring to preach effectively *Why Preach* draws from the author s rich understanding of the Word of God as the challenging encouraging and healing presence of Christ as well as from his own experience as both a preacher and a teacher of homiletics With an eye focused on the works and examples of Pope John Paul II and Pope Benedict XVI Father Cameron illustrates that good preaching derives from and leads

to an encounter with Christ the Word of God made Flesh who comes to us through the Scriptures The objective of the book is to help preachers to think about preaching in a new dynamic way Its aim is to provide a fresh and helpful vision of preaching geared to deepening a preacher s appreciation of what preaching is and the great spiritual impact that good preaching can have on its audience so as to increase his desire and ability to preach well
