*Heavenly Thoughts* Kenneth E. Straight, 2025-09-23 While I was growing up I used to write my own cards for everyone but I never thought my poetry was any good But my mom always loved what I wrote she always looked forward to getting my homemade cards for her I would do my own drawing for the cards and then I would write my own message on it for the occasion I always loved to draw and always got good grades in art class and all my drawing classes but when it came to my

writings I never did very well and never think what I wrote was very good however all my family loved my writings and my cards As I grew up I tried to refine my writings to make them better but I still didn't think they were good until I entered a poetry writing contest and they chose to publish it Then with the next poem I entered in the next contest it got published again and also got me nominated for best poem and poet of the year I got nominated for best poem or poet of the year nine times in a row but I still never thought my poems were that good I love writing and drawing but I have gotten away from drawings with the poems on the cards But I have earned two degrees the main degree I want to use more than anything is my Architectural CAD Drafting and Design degree But I'm also more focused on my poetry to see how much people truly like them Most of my poetry is about God but also about missing my mom since she passed away from cancer when I was twenty years old I think missing my mom has helped me write better than ever **When Angels Cry** Maria Rachel

for the ages especially the age to come Julie Lessman award winning author of the Daughters of Boston Winds of Change and Isle of Hope series In the not too distant future Wars plagues and famines ravage the world immorality and violence are rampant and the Bible is outlawed Angelica Smoke a single mother and cocktail waitress ascends the steps of a megachurch to deliver a message from God to the one man she hoped to never see again That message thrusts world famous pastor Daniel Cain into a whirlwind of confusion causing him to seek out Angelica and demand an explanation But the woman broke his heart once and is now involved in a fanatical cult Even being seen with her could damage his career Still he cannot stay away and the more time he spends with her the more he begins to doubt everything he believes Angelica is a seer God grants her visions of the future but she has no idea what to do with them Her top priority is protecting her son from the world the culture the devil and especially from Daniel But God keeps throwing them together causing her fears to rise and reopening old wounds that threaten to tear her soul apart Angels watch over the couple protecting and hoping they will make the right choices But the angels are limited in what they can do as the end of the age comes to a close and the spiritual battles intensify not only for Angelica and Daniel but for all humanity Action packed and thrilling When Angels Cry is not only a great read but a thought provoking tale In the flavor of Peretti and Left Behind this story paints a vivid picture of what things might be like in the last days Michelle Griep author of The Captive Heart Brentwood s Ward **When Angels Cry** Ladislav Kollar,2009-08-17 I would like to share with my famous collection of my poetry Many my poems were awarded and published I believe if you like Angels this book is for you **The Congregational Hymn Book** Congregational Union of England and Wales,1881 The Coronation Hymnal ... ,1894 Trinity hymns for the worship of the three-one Jehovah in faith & love [compiled by J.
