It just so it won't screw up your

...and applies to so many people. Too often they get so frustrated about their past and are unable to follow. There's a saying, "Face the music." That's what you should do with your past. Depending on what you need to forgive yourself for, it may take a few years, but if you confront it head on, it won't automatically impact your entire life in a negative way. It's about the present instead of the past. A terrible mistake is to let the weight of the past be the reason the weight of the future is bigger than the future looking forward!
