

# BASIC GUIDE TO *Mindfulness Meditation*

## SETTLING

- 1** Settle into a comfortable position. If you choose to sit use a chair that allows your spine to be self supporting.
- 2** Adopt an erect, dignified posture with your feet flat on the floor.

## BRINGING AWARENESS TO YOUR BODY

- 3** Focus your attention on sensations of touch. Concentrate on where your body is in contact with the floor or your chair.
- 4** Next focus directly on your feet. Start with your toes and then expand your attention so it takes in the rest of your feet.
- 5** Now expand to take in your legs, torso, arms and finally neck and head.
- 6** Spend a minute in awareness of your whole body. Allow your body and the sensations to be just as you find them.

## FOCUSING ON BREATHING

- 7** Bring your awareness to the breath as it moves in and out of your body. Notice the changes in sensations as you breath.
- 8** As best you can, follow the breath with your attention. Don't try to control your breathing. Just let your breath be breath.

Your mind will likely wander over and over again. Daydreams, thoughts and images will wander into your mind.

When this happens just note where your mind has been and gently escort it back to your breath.

**Practical Meditation** Giovanni Dienstmann, 2018-08-07 Learn on the go meditation techniques to improve your concentration and memory and enhance your self esteem using this unique visual guide Follow the clear step by step instructions anytime anywhere at home on the beach or on a business trip Practice meditations sitting on a simple upright chair there s no need to fold yourself into uncomfortable positions Explore a variety of meditation techniques from mindfulness meditation to tai chi to find the practices that suit you Use the short mini meditations to fit meditation into a busy lifestyle or to sample a variety of different styles Find out the benefits of meditation on your mind and brain examining how it works and the scientific evidence behind its effects Whether you are new to meditation or looking to expand your existing knowledge this practical guide on how to meditate provides everything you need to start or continue your meditative journey Reviews Giovanni explores the many different ways to meditate and also how to apply the benefits of meditation in all areas of our lives I was blown away by how good Practical Meditation really is A phenomenal book from a deep teacher Rick Hanson Phd and bestselling author of Buddha s Brain **Mindfulness Meditation** Mindfulness Meditation

Institute, 2019-11-11 If you want to be more present and live Life fully then keep reading Life goes fast and we often find ourselves conducting a distracted existence Days go by quick and it is difficult to create long lasting memories when distractions are everywhere Especially in this day and age where there are plenty of possibilities for our mind to go down rabbit holes way deeper than the one of Alice it seems more and more difficult for people to stop and enjoy the present moment We find ourselves living in the past or in the future but rarely in what is happening right this now Probably you have already been distracted at least a couple of times since you started reading this description which tells a lot about your state of awareness But what if there was a way to train the mind to become present What if self awareness could be developed

over time Well actually there is and it is called mindfulness Mindfulness is a set of techniques that help people to focus more on what there is right here right now allowing them to conduct a happier and more fulfilling life Inside this book you will discover some of these techniques along other valuable aspects of mindfulness including The one practice that can help you ground yourself in just 40 minutes What mindfulness really is hint it is not what you might have read on the internet The single exercise you can do at any time to feel more present and self aware even if you have never meditated before The secret technique used by Eastern monks to increase self awareness and self esteem and how you can apply it in your daily life Do not worry you will not be told to close your eyes and let the magic happen as we know you have heard that a million times by now Actually some of the techniques presented in this book can be done while you are walking or standing in line The beauty of mindfulness is that it can be done by everybody even without prior experience You just need to follow the step by step instructions presented in this book and you will be on your way to a much better life Pressed for time Do not worry 40 45 minutes twice a week of mindfulness can yield incredible benefits you do not need to meditate for hours and hours If you want to learn more and start being more mindful today then get this book today Scroll up and click the Buy Now button
