Social Work Theory Practice For A Ch

Carol L. Langer, Cynthia Lietz

Social Work Theory Practice For A Ch:

Child-Centred Social Work: Theory and Practice Vivienne Barnes, 2018-02-09 With an emphasis on professional expectations values and practice skills such as building trust listening and advocacy this textbook helps enable social workers base their practice with children and young people on a truly child centred model Drawing on contemporary knowledge about childhood and children s rights it provides a critical understanding of the theoretical and legal basis for child centred practice and examines the dilemmas faced by professionals in maintaining their focus on promoting children and young people s participation in decision making Child Centred Social Work is essential reading for students and professionals helping the reader understand what we can learn from the tragic deaths of children such as Baby P and Victoria Climbi and from children and young people in care who need their voices heard Understanding Emotions in Social Work: Theory, Practice and Reflection Richard Ingram, 2015-08-16 As a social work student or practitioner it is essential to be able to understand recognize and critically reflect on your own emotions and those of others Consciously or unconsciously emotions play an integral role in day to day decision making assessments and relationship building and a lack of emotional awareness and understanding can result in poor practice and a failure to think critically Practical and engaging this book encourages you to consider the role of emotions in the light of your own experiences and practice contexts Key topics include Understanding what emotions are and how they apply to social work practice Recognizing and reflecting upon the emotional content of practice Incorporating emotions in reflective journals reports case notes critical incident analysis and academic writing Understanding the conscious and unconscious emotions at play in your practice and how these can impact upon the development of positive relationships Enhancing understanding of self and the importance of resilience Understanding the role of emotions in supervision support and reflection In addition each chapter includes case studies to make the link between theory and practice reflective exercises to encourage the reader to consider the discussion from their own contexts and perspectives There will also be key learning points to summarise the main ideas presented at the end of each chapter This is an invaluable book for all social work students and early career practitioners aiming to boost their self awareness and personal wellbeing and ultimately improve their practice This is a timely publication that reinforces the centrality of emotions and emotional intelligence in social work practice a must read for all aspiring and practising social workers Gillian Ruch Professor of Social Work School of Education and Social Work University of Sussex UK This is a book for anyone involved in professional social work education and practice one that will become a well thumbed addition to the discerning practitioner s library Amanda M L Taylor Senior Lecturer School of Social Work University of Central Lancashire UK This book reinforces how social work is primarily a human interactive and relational practice in which emotion and affect have a pivotal role I highly recommend Understanding Emotions in Social Work as an essential text for students social workers supervisors and managers Associate Professor Kieran O Donoghue Head of School of Social Work Massey University New Zealand This is one

of those books that you will keep on your desk and look back at time and time again It is written in a very accessible style and is easily picked up Dr Ingram locates emotions within social work practice and guides the reader through a number of case study s and learning activities to explore this concept in depth This has been a very helpful text book during my final placement Darren Gibson Social Work Student Dundee University UK *The Theory and Practice of Medical Social Work*

Edna G. Henry,1924 **Applying Theory to Generalist Social Work Practice** Carol L. Langer,Cynthia Lietz,2014-12-31 The social worker s guide to integrating theory and practice Applying Theory to Generalist Social Work Practice teaches aspiring social workers how to apply theory in real world practice Fully aligned with the Council on Social Work Education s 2015 Educational Policy and Accreditation Standards the book links theory to practice with clear concise instruction including a discussion of evidence based practice Twelve commonly used theories are thoroughly explained with discussion of the strengths and limitations of each and applied to real work with individuals groups families communities and organizations The book includes case studies and first person contributions from practicing social workers to illustrate the real world scenarios in which different concepts apply Critical thinking questions help students strengthen their understanding of the ideas presented Tools including a test bank PowerPoint slides and an instructor s manual are available to facilitate classroom use providing a single volume guide to the entire helping process from engagement to termination Practice is a core foundational course for future social workers but many practice texts focus on skills while neglecting the theoretical basis for social work Applying Theory to Generalist Social Work Practice fills that gap by covering both skills and theory in a single text Examines the applications of prevailing social theories Covers the most common theories used in micro mezzo and macro practice Helps readers understand well established approaches like strengths perspective humanistic and client centered task centered and solution focused brief therapy Shows how to apply major theories including ecological system cognitive behavioral conflict empowerment narrative crisis critical and feminist An effective social worker recognizes the link between theory and practice and how the two inform each other to culminate in the most effective intervention and most positive outcome for the client Applying Theory to Generalist Social Work Practice provides students with a roadmap to the full integration of philosophy and application in social work Modern Social Work Theory Malcolm Payne,1997

Social Work Theory and Practice Lesley Deacon,Stephen J. Macdonald,2017-01-13 Understanding how theory informs social work practice is an area that students can often find challenging This book will help students understand how theory impacts and informs social work practice across a range of contexts and with different service user groups It starts off by briefly setting the context introducing students to the importance of social work theory and its development over the years before moving on to look at different types of theory across 17 tightly structured chapters These cover a range of psychological theories sociological theories ethics and moral philosophies political theories and ideologies and organisational theories Child and Family Assessment in Social Work Practice Sally Holland,2004-03-06 This is an essential guide for

both social work students and practitioners involved in the assessment of children and their families It is a guide for practice that is strongly rooted in research evidence

Using Evidence in Social Work Practice Harold E. Briggs, Harold Eugene Briggs, Tina L. Rzepnicki, 2004 This comprehensive text is designed to provoke discussion Part I raises questions about the ethics the nature of evidence and the role of theory in evidence based practice Chapters in the second part serve as models for developing practice aimed at addressing particular problems and client populations Part III raises practical issues in implementation Critical thinking is stressed throughout the collection

Gerontological Social Work Ilene Nathanson, Terry Tirrito, 1998 In this book the authors present their innovative conceptual framework for task centered social work practice with older adults This integrative model clearly illustrates how practitioners and students can incorporate social work practices in different organizational settings and practice arenas including psychiatric health services religious political legal occupational and more Information on communication skills and the authors stimulating case studies make this an ideal text for undergraduate and graduate social work programs in gerontology

Theory and Practice in Clinical Social Work Jerrold R. Brandell, 1997-02 Following an overview of the principal frameworks for clinical practice including systems theory behavioral and cognitive theories and psychoanalytic theory the book goes on to present the major social crises and new populations the social worker confronts each day Theory and Practice in Clinical Social Work includes twenty four original chapters by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations
