Felip,2023-05-30 A beautiful work certain to become the standard work in English on the Spanish sailing navy Seaways Ships
in Scale This book is the latest contribution to a unique series in a common format documenting in great detail the warships
of the major naval powers during the age of sail To date four volumes have covered the British Navy two have been devoted
to the French Navy and one each to the Dutch and Russian Navies This volume on the Spanish Navy for much of its history
the third largest in the world fills the final gap in the ranks of the major maritime powers This book is the first
comprehensive listing of these ships in English and covers the development of all the naval vessels owned or deployed by
Spain during the period of the Bourbon monarchy from 1700 to 1860 including the period of French control during the
Napoleonic Wars but it also sets the scene for that period by summarizing the origins of Spanish naval development under
the preceding Habsburg regime As with previous volumes in the series the main chapters list all the naval vessels from 1700
onwards including those 16th century ships which survived into the new regime in 1700 by type with the first chapters listing
the ships of the line nav os in Spanish terminology and frigates in descending order of firepower and subsequent chapters
covering minor and ancillary vessels Where available a brief service history of each individual ship is given Its publication is
of the utmost importance to every naval historian and general reader interested in the navies of the sailing era **A**
