Solution For Northern Ireland A Kings Perspective:

Solution for Northern Ireland John Baillie,1994 A ^ATroubled Sleep James Waller,2021-02-15 In contemporary Northern Ireland more than two decades after the peace agreement that ended the thirty year sectarian violence known as the Troubles the risk of a return to violent conflict is progressively accumulating in a rising tide and resilience is rapidly receding From Northern Ireland we can learn what happens when identity politics prevail over democracy when a paralysis in governance leads to a political vacuum that leaves spaces open for extremist voices to dominate when de facto social segregation becomes normalized when acclimatization to violence becomes a generational legacy and when questions of who we are become secondary to who we are not **Five Brothers in India** John Baillie,2025-02-28 A compelling new book that combines personal memoir family history and an exploration of colonial life in India during the 19th century Divided into three distinct parts this unique narrative weaves together the author s reflections on life an insightful study of the Balliol family and the incredible stories of five brothers who all served in British India Opening his book with a personal account John Baillie takes readers on a journey through his life experiences as a naval aviator and then successful businessman In the second section Baillie delves into the remarkable history of his own family particularly focusing on their connection to India The Balliol family s Scottish heritage and their strong ties to the East India Company are explored in detail Finally the author turns his attentions to the fascinating tale of the five brothers who served in British India during the height of the Empire Vividly imparting their adventures as they navigate the Indian Mutiny the Crimean War and life in Karachi details of their bravery perseverance and the challenges faced all come from letters penned by the brothers to their parents and siblings still at home in London s Poplar With its themes of resilience ambition and familial loyalty running throughout each part of this compelling book readers are offered a rare and authentic glimpse into the lives of those who helped to shape modern India

The Failure of the Northern Ireland Peace Process Gary Peatling,2004 This book is a surprisingly broad study of the Northern Ireland conflict and peace process with an unusual and contentious hypothesis though one ultimately likely to prove useful even to those who disagree with it The book is influenced by a sense of the interlacing nature of political groups and dynamics in Northern Ireland which evinces understanding of though not empathy with even mutually exclusive positions in a way few writers on the Northern question draw out This sense that even groups often portrayed as intransigent find a constituency in Northern Ireland based upon the lived experience of groups and communities is underpinned by the book s view of identity and its consequences The book also addresses much discussed wider controversies such as debates surrounding immigration terrorism and September 11th and national identity It addresses these issues with unorthodox conclusions and it is guaranteed to be of interest to intelligent non specialists as well as to academics and policy makers

Writings on Irish History ,1993 *The British National Bibliography* Arthur James Wells,1994 **The Anglo-Irish Agreement** Arwel Ellis Owen,1994 A knowledgeable readable and objective discussion of one of the most violent and

disturbed periods in the recent history of Northern Ireland On 15 November 1985 Margaret Thatcher and Garret FitzGerald signed the Anglo Irish Agreement at Hillsborough Castle The Agreement which was to be reviewed at the end of three years dramatically changed the tone of everyday life in Northern Ireland and substantially altered the mood of Anglo Irish affairs It gave rise to intense political debate and paramilitary violence escalated Far from finding a solution to the problems of Ulster the Agreement itself became a contentious issue In this detailed thorough and impressive study Arwel Ellis Owen who was appointed Head of Programmes BBC Northern Ireland in May 1985 and lived in the province until his election as Guardian Research Fellow at Nuffield College Oxford in October 1988 analyses the impact of the Agreement on the three principal participants in the affair the United Kingdom the Republic of Ireland and the Province of Northern Ireland He combines solid narrative with insight and inside knowledge particularly in his discussion of such controversial incidents as the Stalker affair the Gibraltar shootings and the Hume Adams talks He also gives unique insight into how ordinary Ulster folk reacted to political drama in Harland and Wolf and Derry Council estates personal tragedy intimidation death and grieving Individuals ability to forgive to try the impossible of bridging the cultural gap the price paid
