## **Spinsters Song:**

**Spinsters Song** Parris Afton Bonds,1985 *On the Origin and Progress of the Art of Music by John Taverner* Joseph M. Ortiz,2018-09-13 John Taverner's lectures on music constitute the only extant version of a complete university course in music in early modern England Originally composed in 1611 in both English and Latin they were delivered at Gresham College in London between 1611 and 1638 and it is likely that Taverner intended at some point to publish the lectures in the form of a music treatise The lectures which Taverner collectively titled *De Ortu et Progressu Artis Music On the Origin and Progress of the Art of Music* represent a clear attempt to ground musical education in humanist study particularly in Latin and Greek philology Taverner's reliance on classical and humanist writers attests to the durability of music's association with rhetoric and philology an approach to music that is too often assigned to early Tudor England Taverner is also a noteworthy player in the seventeenth century Protestant debates over music explicitly defending music against Reformist polemicists who see music as an overly sensuous activity In this first published edition of Taverner's musical writings Joseph M Ortiz comprehensively introduces edits and annotates the text of the lectures and an appendix contains the existing Latin version of Taverner's text By shedding light on a neglected figure in English Renaissance music history this edition is a significant contribution to the study of musical thought in Renaissance England humanism Protestant Reformism and the history of education *The Lyrics of Noël Coward* Noël Coward,2014-03-20 *Mad Dogs and Englishmen* Don't Put your Daughter on the Stage Mrs Worthington and over 250 more lyrics from Coward's musical masterpieces No l Coward is one of the greatest lyricists of the twentieth century Songs such as *A Room with a View* *The Stately Homes of England* *Mad Dogs and Englishmen* and *Mrs Worthington* are known sung and loved the world over This edition gathers together over 250 of Coward's lyrics arranged in chronological order and grouped by show In addition these masterpieces of verse are accompanied by an introduction and notes from the Master himself **Spinster's Song** Parris Afton Bonds,1992-08 Young Dr Mary Margulies has no desire to make any lasting attachments in the desolate little town where she is assigned to work off her government loan She waits only for the day when she can establish a profitable practice elsewhere Then she meets Rafe Anaya and despite her well laid plans Mary's heart begins to dictate her choices From the award winning author of *Sweet Enchantress* *Women and Music in Cross-cultural Perspective* Ellen Koskoff,1987 The past fifteen years have been a time of intense scholarly interest in women resulting in an explosion of literature that has begun to reveal the overriding effects of gender on other cultural domains Affecting all aspects of culture issues of sexuality gender related behaviors and inter gender relations also have profound implications for music performance This volume represents an introduction to the field of women music and culture and in no way attempts to be comprehensive in its coverage nor conclusive in its implications For example Western classical music is not discussed here many large world areas are not covered nor does this volume present a comprehensive survey of all recent developments in feminist oriented anthropology What these essays do share is a focus on

women's culture identity and musical activity either in socially isolated performance environments or within the public arenas shared by their male counterparts
