Spirit Fruit:

The Spirit's Fruit David Moffett-Moore, 2014-03-28 When I was a boy I had a really wicked temper It was short and it was brutal I would get in fights every recess With that personal beginning Dr David Moffett Moore escorts each student into their own personal study of The Spirit s Fruit A Participatory Study Guide We are called together as Christians to a fruit filled life While God blesses us with one or more gifts as He wills none of us receive all the gifts But all of us are encouraged to live a Christ led life in which all the fruit of the Spirit may grow in abundance Dr Moffett Moore gives us wonderful tools for discussion and prayer to break up any hard ground and pour Christ s Living Water into our spirits so the study itself aids more fruitful growth The Participatory Study Series from Energion Publications is designed to invite Bible students to become a part of the community of faith that produced the texts we now have as scripture by studying them empathetically and with an aim to learn and grow spiritually Each author is free to emphasize different resources in the study and individual students group leaders and teachers are encouraged to enhance their study through the use of additional resources

Patience: Harvesting the Spirit's Fruit LARRY L. ARMSTRONG, 2009-03-20 Have you prayed for more patience Here s your answer Patience Harvesting the Spirit s Fruit is one of a series of books designed to lead you into self inspection by the light of Paul s teaching in Galatians 5 The book will guide you into new depths of faithful Christian discipleship You ll consider the patience displayed by the Father Son and Holy Spirit as they create salvation and develop your spiritual character You ll consider the nature of immaturity You ll scrutinize the effects impatience has on your personality You ll reflect on the peculiar quality of patience as you learn how the virtue changes in experience and what makes a Christian s serenity different from the patience of people who don t follow Jesus Your meditation will round out with thoughts on the art of being patient Spirit Fruit John M. Drescher, 1974 **The Pauline Metaphors of the Holy Spirit** Erik Kongsmo, 2010 In the Pauline literature of the New Testament the characteristics of the Spirit and Christian life are described through the use of metaphor An interpreter of Paul must understand his metaphors in order to arrive at a complete understanding of the Pauline pneumatological perspective Thus The Pauline Metaphors of the Holy Spirit examines how the Pauline Spirit metaphors express the intangible Spirit s tangible presence in the life of the Christian Rhetoricians prior to and contemporary with Paul discussed the appropriate usage of metaphor Aristotle s thoughts provided the foundation from which these rhetoricians framed their arguments In this context The Pauline Metaphors surveys the use of metaphor in the Greco Roman world during the NT period and also studies modern approaches to metaphor The modern linguistic theories of substitution comparison and verbal opposition are offered as representative examples as well as the conceptual theories of interaction cognitive linguistic and the approach of Zolt n Kvecses In examining these metaphors it is important to understand their systematic and coherent attributes These can be divided into structural orientational and ontological characteristics which are rooted in the conceptual approach of metaphor asserted by George Lakoff and Mark Johnson This

book evaluates these characteristics against each of the Pauline Spirit metaphors *The Power of the Holy Spirit's Names*
