and a significant nineteenth century mystic Volume 2 begins with an introduction to the beliefs influences and practices of this complex person The second and largest part of this volume consists of Nightingale s biblical annotations made at various stages of her life some dated some not The third part of volume 2 contains her journal notes including her diary for 1877 which is published here for the first time Much of this material is highly personal even confessional in nature Some of it is profoundly moving and will serve to show the complexity and power of Nightingale s faith Currently Volumes 1 to 11 are available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary
