Whether pastor or lay person young or old this is a book that speaks to the heart crossing all denominational lines and cultural divides.

Spiritual Reflections Doris Nickles, 2022-10-21 In my spiritual training as a minister I would be required to give talks based on Bible readings I would pick or they would pick me based on experiences in life. My best writings came from nature hikes meditating on issues on my mind. I found nature would speak to me as I would walk my hikes. I loved hiking in the Whitesell of Manitoba. It had a spiritual hold on me. It has voices once you are tuned out from the world and tuned into the sounds of nature. I felt I could speak my inner thoughts with God and receive guidance through God's influence on the universe. Then I would be inspired to write what I received. These are the published talks of what I would learn.

Spiritual Reflections Through Prayers of Poetry Jim Severance, 2008 This guide can help readers take inventory of their spiritual strengths and weaknesses recognizing the constant pull of society away from God's way. Motivation

I Can Enter Your Life if You Let Me Robert Raymund, While attending and presenting a religious couples weekend I took some time to write a letter to my spouse. While writing that letter I suddenly wrote the words I can enter your life if you let me in the notebook I was using. I was surprised and deeply shaken as soon as I wrote them because I knew they were not a part of my letter to my spouse but were words that God was communicating directly to me. At the same time I felt an overwhelming feeling of peacefulness as I had never experienced before. When we returned home I was able to continue writing reflections of a spiritual nature anytime I quieted myself prayed picked up a notebook took pen in hand and started to write. When I would write it seemed that the words would flow out at about five times the speed I would usually write. I did not have to even think about what came out of my mind. The words just flowed out. At a later date I clearly heard the words spoken to me. You will write a book and it will be read by many. The writings within this book are a result of these efforts over the next several years. I believe this is from God because when you encounter a deep sense of peacefulness you just know it is bestowed from above and not of this world. My hope is that these writings will be well received by many and that its inspirations will create many positive benefits. This book contains 103 short inspirational reflections prayers and communications from God. Each reflection is written either from the perspective of God speaking to you or you speaking to God. They have the goal of drawing you deeper into prayer and into a personal conversation with our glorious God. The reflections cover the following general topics: prayer, trust, faith, hope, love, blessings, guidance, giving, change, wisdom, protection, suffering, peace, surrender, comfort. Here is a sample of the first reflection in this book: THE LAND OF THE LORD. Your difficulties will pass. Your troubles will vanish. Your confusion will diminish. Your hope will grow. Your heart will be filled with holiness as you place your life into My hands. Do not let fears prevent your surrender. Do not let anxiousness distract you from Me. Do not let selfishness mislead you. I AM the goal you search for and desire. I AM the force you crave and seek. I AM the ending you wish for. Let yourself go and surrender your life to Me. Push aside what restricts and misguides you.

and join Me Let Me lift you into the zones of My lands My house awaits your entry My servants have prepared your room Your name has been listed with those from other times Your place with Me awaits you Let your expectations be lifted and trust in My Word as you belong to My land Look forward to this event and live each day knowing your place with Me awaits you Spiritual reflections for every day in the year. With morning and evening prayers. By the Revs. Thomas and David G. Goyder Thomas GOYDER,1870 **SPIRITUAL Reflections** Pastor William Crossley,2025-10-14 Spiritual Reflections Hope God s Greatest Gift is a collection of positive spiritual reflections Each reflection contains a positive Bible verse partnered with a motivational overview of that verse Those who have received and read each of my reflections found them to be positive inspiring and extremely encouraging I pray that as you read this book and apply these verses in your daily walk it will keep you faithfully serving our loving and merciful Lord Jesus Christ *Spiritual Reflections for Every Day in the Year. With Morning and Evening Prayers. Vols. 1&2 by T. G. Vols. 3&4 by D. G. Goyder* Thomas GOYDER,1854 **Spiritual Oxygen** Mark G. Boyer,2025-10-22 The adjective spiritual refers to aspects of one s spirit The idea that each person possesses an immaterial and immortal soul which is distinct from the body did not appear in Jewish biblical literature before the Babylonian exile After interacting with Persian and Hellenistic philosophies the word nephesh entered Hebrew meaning living being not the dichotomous Hellenistic meaning Thus the biblical soul refers to a living breathing conscious body According to biblical literature God like a potter formed people from clay dirt and breathed divine breath into them Spiritual oxygen refers to the divine breath or spirit given to all living beings The Hebrew word ruah which can be translated into English as breath spirit or wind means that everything that breathes is inspirited When a person breathes the colorless and odorless gas known as oxygen one is simultaneously inhaling spirit Thus biblical spirituality is the process of living one s life in relationship with God while breathing deeply of the divine spirit Biblical spirituality for the twenty first century consists of spirits humans living and breathing Spirit God and being aware of the divine presence in which one lives and moves and has his or her being This book explores that process **Spiritual Reflections** Brian Deneen,2004 Spiritual Reflections provides positive encouragement for Christians with an emphasis upon living the Christian life Practical imaginative spiritual application of the Bible to 21st Century daily life situations is my goal in offering these reflections presented during 2002 to a variety of United Church of Christ congregations in Northern California Each reflection is based upon a specific Bible passage chosen from the Revised Common Lectionary employed by Christian Churches throughout the world These reflections are not strictly speaking a solely intellectual enterprise though I hope that some intellectual stimulation comes through to the reader The main points I attempt to communicate are points about the spiritual life Christians live in Christ Thus I have titled them Spiritual Reflections because that is the eventual focus of all of them **SPIRITUALITY WITHIN SUBSTANCE USE DISORDER RECOVERY** Dr. Bruce D. LeBlanc,2025-07-27 Spirituality Within Substance Use Disorder Treatment You might be wondering why focus on spirituality within a SUD Treatment Program Why Individuals with high

spirituality have higher remission rates than those with low spirituality Research Stephen J Schoenthaler in a NIDA Drug Addiction Treatment Outcome Study found Those with strong religious beliefs who used cocaine heroin alcohol or marijuana had higher remission rates p 0 006 Those who attended religious services who used the same drugs had higher remission rates p 0 0005 This activity had the strongest rates of higher remission Those who frequently read religious books who used the same drugs had higher remission rates p 0 0005 Those who more frequently engaged in meditation and prayer who used the same drugs had higher remission rates p 0 002 The only drug or drug use not significant regarding remission rates was crack

reader with inexhaustible mercy *A Biblical Morning & Evening Prayer Manual* Mark G. Boyer,2024-12-27 A Biblical Morning Evening Prayer Manual is a reworking of the sixth century Christian tradition of fixed times for prayer All entries are taken from various English translations of the Bible Because the principal times for prayer are morning and evening this manual is a complete handbook of biblical passages for the modern person consisting of material taking ten to fifteen minutes to absorb before beginning the day and ten to fifteen minutes when ending the day Through daily prayer two times a day one's spirituality is enhanced After giving basic overviews as to the structure of morning and evening prayer the author presents thirty one exercises for each month along with exercises for those who follow a liturgical calendar for Advent Christmas Lent Easter and major special days that fall during the year All that is needed to pray biblically in the morning and the evening is contained in this single volume in its eight chapters *Spiritual Reflections for the Saint and Sinner* Octavius Winslow,2020-04-03 Shadows and Realities constitute the great contrast between earth and heaven time and eternity What shadows we are and what shadows we pursue was an exclamation once uttered upon the floor of the British Senate by Burke one of England's most eloquent statesmen not less true than solemn and sublime But the revelations of the Bible have come to displace these human these earthly shadows with divine and heavenly REALITIES The Bible is true eternity is real We have not followed cunningly devised fables in yielding our unquestioning belief to the great and precious truths of the Gospel Experience has proved them real has demonstrated them divine We have tried the world and it has wounded us the creature and it has disappointed us the teaching of men and it has bewildered our own hearts and they have proved deceitful above all things and desperately wicked We turn to the glorious Gospel of the blessed God and we find it through the anointing of the Holy Spirit light in darkness joy in sorrow counsel in perplexity strength in weakness and hope in despair It tells us of Jesus the loving One the mighty One the sympathizing One the faithful One the saving One and concentrating our whole soul in childlike faith upon Him we prove the Gospel divine God's Word true all it threatens and all it promises REAL The following pages will we trust in a humble way lead the reader into a closer acquaintance with a few of these Divine Realities With them many who take up this volume may be already familiar Those who have welcomed them before as they have eagerly looked for a word of counsel and comfort at the opening of a new year may not regret to meet them again in another and more permanent form To those to whom they will be new this will explain the particular and appropriate bearing of each chapter upon this reflective and impressive period of time But believing that they contain instructive and saving sanctifying and consolatory truths suitable for the history of every day life and that they have already had the seal of the Divine blessing the author commends them with confidence in their enlarged form to the prayerful perusal of the Christian Church and to the continued favor of the Triune God **Biblical Creation Stories** Mark G. Boyer,2025-07-31 The Bible has multiple creation accounts Most people know or have heard of the one which took six days but they are not familiar with the rest Biblical creation stories are plural because they are hypothetical inventions by various biblical authors The simple fact of the matter

is that there was no one present when creation occurred Thus with no firsthand experience various biblical authors each with his own biases and politics wrote one Biblical creation stories are about the act of God creating and the product of that creation While it is not exhaustive this book explores the many biblical creation stories and invites readers to use them to nourish their spirituality Spirituality is the experience of the human spirit connecting to the divine Spirit or vice versa Through reading the plurality of biblical texts about creation through reflections on creation accounts through praying a part of a psalm through meditating on a question designed to lead the reader into deeper reflection based on one s personal life and through journaling to record insights a reader can nourish his or her spirituality Insights can be gained that strengthen the Spirit spirit connection Spiritual Reflections DHBurrows,2019-11-12 This book will have you looking at life differently on a daily basis
