Spiritual Revival:

Revival! John Avant, Malcolm McDow, Alvin Reid, 1996 From churches and college campuses across the country indications of a powerful spiritual revival are growing stronger every day People thirsting for a personal experience with God have found themselves spiritually refreshed as a newly invigorated spirit moves within them **Sermon Outlines on Spiritual Renewal (Wood)** Charles R. Wood, **Six Steps to Spiritual Revival** Pat Robertson, 2002 Have you lost sight of the dreams God placed in your heart long ago Revival will bring back to life those brittle bruised or dormant areas within you Examining the steps to revival that God gave to King Solomon Pat Robertson reveals an amazing Scriptural pattern He describes radical transformations that occur when people hunger for God's presence and become living sacrifices of praise Now as you radiate knowledge of God others will be drawn to the fire of His presence The unique qualities God placed within you before you were born will begin to bloom and bear fruit for His glory All the Promises of the Bible Herbert Lockyer, 1990-03-27 Offers commentary upon those biblical passages which express God's promises to man *OneCry* Byron Paulus, Bill Elliff, 2014-03-01 *OneCry* A Call to Spiritual Awakening is a challenge a plea for readers to shake off spiritual apathy and wake up to the hope of God moving with extraordinary power in our day It paints a picture of both desperation and hope without spiritual revival our country has no hope but when it comes we will need no other hope Drawing on an abundance of stories from ordinary people who have experienced the power of life changing revival in their own lives this book provides a contemporary roadmap for spiritual awakening and real revival Passionate and story rich *OneCry* engages readers to seek God urgently at this moment in history it inspires them with hope for what God can do and it invites them to join a growing movement of believers who are uniting in one cry for revival and spiritual awakening It is a summons to join together in a single focus passionate prayer for revival in our nation like hasn't been seen in nearly two hundred years

Listening to the Neighbor Byungohk Lee,2015-05-12 The Trinity can be understood as a social community with members speaking and listening to one another in love or as Luther understood the Trinity as conversation then God s mission essentially involves in mission in dialogue Byungohk Lee contends the church has to embrace the dialogical dimension in missional terms because the triune God is the subject of mission The missional church conversation has taken it for granted that local churches should speak and listen to their neighbors In contrast for many churches in Asia including Korea mission has generally tended to be practiced in a monological rather than dialogical manner The neighbor has not been regarded as a conversational partner of the church but only as the object for its mission In *Listening to the Neighbor* Lee shows that some local churches have participated in God s mission by listening to their neighbors He argues that listening is not a technique but a multifaceted learning process in missional terms The church must nurture its hearts eyes and ears in order to listen to the sigh of its neighbors
