Spiritual Simplicity:

Spiritual Simplicity Chip Ingram, 2020-04-28 Discover the answer to our culture's need for simplicity and peace by doing less and loving more If you crave simplicity yearn for peace and calm this is the book for you Author Chip Ingram goes beyond quick fixes and speaks to all of us who find it impossible to break free of our busy lifestyles filled with too many good and important things that fill our schedules The message of this book is simple Spiritual simplicity will not be achieved by strategic attempts to control our lives and schedules but through doing less because we are able to love more As you learn the practice of loving people you will experience a shift from complex to simple from hurried to peaceful from never enough time to time enough for those you love It's time to redirect our focus from the complex overextended lifestyle that keeps us running but never arriving In *Spiritual Simplicity* learn how to reorient your life around life The result is a life whose priorities are so radically rearranged that Dave Stone author of the Faithful Families series lasting change is finally within your reach

Spiritual Simplicity David Yount, 1999 The frantic pace of contemporary life leaves our bodies exhausted our minds stressed and our spirits depleted In a book that is at once profound and pragmatic the acclaimed author of *GROWING IN FAITH* explains how to clear away the physical and mental debris that clutters our lives and concentrate on nourishing our capacities for giving and receiving love Creating a simple life requires nothing more than motivation and a straightforward plan and Yount provides them both Yount shows us that there is a better way that is simpler relaxed and vastly more rewarding physically emotionally and spiritually Men and women who simplify their lives discover that their senses sharpen that their health improves and that they become more loving compassionate and more at peace with themselves These inspiring stories will inspire readers to begin their own journeys To help them get started *SPIRITUAL SIMPLICITY* includes easy how to exercises that lead the way to living not just from the head but from the heart and the soul

[Perception and the Internal Senses](#) Juhana Toivanen, 2013-05-15 In *Perception and the Internal Senses* Juhana Toivanen advances a detailed philosophical reconstruction of Peter of John Olivi's ca 1248-98 conception of the cognitive psychology of the sensitive or animal soul Like most medieval philosophers Olivi thought that higher animals and human beings have many psychological capacities in common The book analyses these capacities by concentrating on Olivi's conception of the metaphysics of the soul his theory of perception and his views about the post sensory cognitive power which medieval philosophers called the internal senses Being the first monograph in English that concentrates on Olivi's philosophical psychology *Perception and the Internal Senses* enables us to understand better medieval ideas concerning animal psychology and the human animal boundary

Spirituality, Diversion, and Decadence Peter H. Van Ness, 1992-10-22 This book presents a philosophical rethinking of the meaning and nature of spiritual discipline It offers a new way of describing and justifying practices like praying meditating fasting and yoga and it provides an innovative case for their contemporary importance Spiritual discipline is especially effective at combatting Pascalian diversion the pursuit of activities that occupy the mind just enough to avoid

thinking about important things and Nietzschean decadence the proclivity for extirpating instinctive drives instead of satisfying or sublimating them In addition to overcoming diversion and decadence in contemporary consumerist culture VanNess recommends spiritual discipline as a means of political resistance to powerful institutions which seek to exercise social control in democratic societies by promulgating addictive patterns of consumption Finally he argues that regimens of spiritual discipline can serve healthful and liberating purposes and generally promote fullness of life only insofar as they are shaped by an ethos of intellectual criticism and aesthetic experimentation [Hermais](#) Colin McAlpin,1915 **How You Can Live an Everyday Supernatural Life** Dr. Joe Ibojie,2017-12-19 Living supernaturally naturally How You Can Live an Everyday Supernatural Life is a comprehensive interactive training manual based on the author s best selling books This manual propels you into the supernatural realm where the printed Word of God lifts off the pages of the Bible and infiltrates every fiber of your being A **Newton on the Christian Life** Tony Reinke,2015-05-31 John Newton is best known as the slave trader turned hymn writer who penned the most popular English hymn in history Amazing Grace However many Christians are less familiar with the decades he spent in relative obscurity laboring as a spiritual doctor while pastoring small parishes in England In the latest addition to Crossway s growing Theologians on the Christian Life series Tony Reinke introduces modern readers to Newton s pastoral wisdom by leading them through the many sermons hymns and most importantly letters that he wrote over the course of his life Considered by many to be one of the greatest letter writers of all time Newton has valuable insights to offer modern Christians especially when it comes to fusing together sound doctrine lived experience and godly practice Part of the Theologians on the Christian Life series **When Silence Speaks** Dr. Hari Chinthakunta,2025-10-18 When Silence Speaks A Journey through Science Spirit and Soul is not just a book but a sacred dialogue where silence becomes the teacher and longing finds its answer in the Divine It weaves together the discourses of His Holiness Sri Vidyanarayana Theertha and the reflections of Dr Naga Yogi Raj transformed into universal teachings Through fifty seven chapters it guides seekers along life s river flowing through worship resilience surrender and inner harmony Each page invites the reader to pause reflect and practice turning words into wisdom and silence into self discovery In a world of noise this work is a reminder that silence itself is the highest Guru **The Fortnightly** ,1922 [The Discourses of Philoxenos of Mabbug](#) ,2014-01-06 The thirteen Discourses of Philoxenos of Mabbug 445 523 were delivered to new monks at a monastery under his episcopal care Written in elegant Syriac the Discourses deal with the fundamentals of the monastic and ascetic life faith simplicity fear of God renunciation and the struggle against the demons of gluttony and fornication This is Philoxenos s longest work and his most popular It avoids the strident character of his letters and commentaries that were composed to advance the anti Chalcedonian movement This is the first English translation of an important Syriac text since the 1894 translation now difficult to find The introduction to this translation of the Discourses takes into account the scholarly work done and the books and articles published about Philoxenos in the past half century
