Spirituality Of Mark:

The Spirituality of Mark Mitzi Minor, 1996-01-01 Author Mitzi Minor offers a reading of the Second Gospel that emphasizes the book's instruction for a life of faith. Mark provides guidance to Christians on how to live authentically that life of faith.

The Spiritual Landscape of Mark Bonnie B. Thurston, 2008 2009 Catholic Press Association Award Winner To read the Gospel of Mark is to embark on a journey that begins in a desert and ends with a boulder rolled away from the tomb. In between Jesus teaches his disciples, calls them to journey and learn what it means to follow him and guides them to Jerusalem, the scene of the Passion. In *The Spiritual Landscape of Mark* Bonnie Thurston has adapted a retreat that she gave to the Society of the Sacred Cross at Tymawr Convent in Wales, thereby inviting all of us to embark on this spiritual journey. Mark's gospel is full of places: desert, house, sea, valley, mountain, city, cross, garden, and the winding roads between them. Thurston's prose invites us to go away to a quiet place and reflect awhile on what it means to be Jesus's disciple, to follow him across the hard landscape. Along the way there will be glimpses of his glory when he stills the storm and is transfigured on the mountain when he heals the sick and feeds the hungry. Still, the primary lesson is the difficult way to which we are called along with the great joy of knowing that Jesus has initiated the journey and leads us exactly where we need to go. Bonnie B. Thurston, PhD, lives in West Virginia in solitude. She is ordained in the Christian Church, Disciples of Christ, and the author of several books, including *Philippians in the Sacra Pagina* series and *Religious Vows: The Sermon on the Mount and Christian Living* (Liturgical Press) and *Preaching Mark* (Fortress Press).

Mark Adrienne von Speyr, 2012-08-01 These meditations on the Gospel of Mark, with the exception of the second part on the Passion, were given by Adrienne von Speyr between 1945 and 1958 to members of the Community of St. John, which she founded with the renowned theologian Fr. Hans Urs von Balthasar. Adrienne is speaking to young adults who have decided to live the state of the evangelical counsels in a secular profession as part of a recently established secular institute. Nevertheless, this contemplative commentary can be very useful for all who seek to meditate on Holy Scripture. As always, Adrienne here draws from the abundance of her own contemplation, which keeps continually in view the harmonious unity of Christian dogmatic truth; she gives to others what has been offered to her in contemplation, without exegetical notes or any attempt at scholarship. Since she is speaking to novices, the train of thought is simple and practical yet rich in depth. The points for meditation are not primarily for spiritual reading but an introduction to personal prayer. They are meant only to point out a path because it is the Holy Spirit who directs contemplative prayer in all liberty. As one reads through this book, he will find in it a kind of synthesis of Adrienne von Speyr's spirituality. This work will also be very useful to preachers, catechists, pastors, communities, and institutes who have understood with Pope Benedict XVI that it is time to reaffirm the importance of prayer in the face of the activism and the growing secularism of many Christians engaged in charitable work.

Gospel-The Book of Mark, 2017-02-28 Be inspired to live an altogether different kind of life rooted in a more radical kind of love Long description In his fresh and life giving translation of the Gospels with sparkling commentary spiritual innovator Thomas Moore strips the Gospels of their theological agendas and reclaims them as a fundamentally new way of imagining human life He blends scholarship and pastoral guidance to highlight the Gospels teachings on earthly rather than otherworldly living in which community compassion inclusiveness prayer and healing are key elements He draws deeply from Greek philosophy literature and spirituality to craft an accurate and challenging yet accessible translation that free of religious moralism and dogmatism is beautifully imaginative and inspirational Be inspired to live an altogether different kind of life rooted in a more radical kind of love *Spirituality of the Gospels* Patrick J. Hartin, 2025-01-15 Within each of the four gospels there is a foundational spirit a rich spirituality based on each gospel s unique understanding of Jesus and what it means to be his disciple In this study Fr Patrick Hartin looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision Commentary study and reflection questions prayers and access to online lectures are included 6 lessons **Faith as a Theme in Mark's Narrative** Christopher D.

Marshall, 1994-12-08 Mark s gospel has attracted an enormous amount of scholarly attention over recent decades The major themes of the gospel have been studied exhaustively and from a variety of critical perspectives But at least one important theme in Mark has been comparatively neglected in recent study the theme of faith This critically acclaimed book redresses such neglect through a thorough exegetical and literary study of all the references to faith in Mark s composition
