Three JUXTAPOSITION **Juxtaposition** Piers Anthony, 2012-02-14 In this brilliantly satisfying conclusion to the epic adventure begun in Split Infinity and continued in Blue Adept Piers Anthony again proves himself a consummate master of both science fiction and fantasy Stile had problems two whole worlds of problems in fact On Proton a world of future science his murder was averted only by the help of a lovely robot who sent him through an invisible curtain to Phaze an alternate world ruled by magic There he found he was the double of the sorcerer the Blue Adept who had been mysteriously murdered And the assassin was after Stile To survive Stile had to master magic fight a dragon win the friendship of a lady unicorn locate his enemy among the paranoid Adepts and return out of Phaze to win the Great Games on Proton After that he was ready to face the real problems The infallible Oracle was suddenly involved in the conspiracy against him The two worlds were out of balance and heading for disaster Stile was somehow supposed to take over the job of saving them or go down to total destruction with all he loved he had to act and act quickly with no idea of what he was supposed to do **Castle**

Roogna Piers Anthony, 2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much needed ally in peril haunted ancient

Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old **Wielding a Red Sword** Piers Anthony,2012-02-15 Here in a fourth complete in itself novel of the Incarnations of Immortality Piers Anthony again combines fascinating magic with a gripping complex struggle between good and evil Mym was a dutiful son but his father the Rajah interfered in his love life once too often Rather than wed without love he took up the Red Sword symbol of office of the Incarnation of War At first he thought his efforts could ameliorate some of the suffering caused by Earth s constant petty wars But he found that behind all his involvement were the clever traps of Satan When seeming mischance placed him in Hell Mym organized a great rebellion among the Damned And Satan seemed to capitulate But free again Mym learned that Satan had been busy stirring up riots and war Now it seemed things had gone too far and Satan must surely win There was only one desperate chance **Bearing an Hourglass** Piers Anthony,2012-02-14 Like On a Pale Horse this second complete in itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past The other seemingly all powerful Incarnates of Immortality Death Fate War and Nature made him welcome Even Satan greeted him with gifts But he soon discovered that the gifts were cunning traps While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly And though Satan banished him to Hell he was resolved to fight on **On a Pale Horse** Piers Anthony,2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader s mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution **Being a Green Mother** Piers Anthony,2012-02-14 Orb had a rare gift the magic which manifested whenever she sang or played her harp No one could resist her music But she knew that greater magic lay in the Llano the mystic music that controlled all things The quest for the Llano occupied Orb s life Until she met Natasha handsome and charming and an even finer musician But her mother Niobe came as an Aspect of Fire with the news that Orb had been chosen for the role of Incarnation of Nature The Green Mother But she also warned of a prophecy that Orb was to marry Evil Could she be sure that Natasha was not really Satan the Master of Illusion laying a trap for her **Xanth** Piers Anthony,2002 Twenty five years ago Piers Anthony fascinated us with the creation of Xanth a

wondrous land where magic rules supreme Since then the dazzling world of Xanth has delighted millions of readers Now here are the first three novels of this classic series to enthrall a whole new generation A SPELL FOR CHAMELEON Winner of the British Fantasy Award for Best Novel of the Year Though every citizen of Xanth has a special spell only he or she can cast Bink of North Village has no magic But the Good Magician Humphrey and Beauregard the genie insist that Bink indeed is capable of enchantment magic more powerful than the King himself or even the evil magician Trent Now if only Bink can find his magic before he is forced into exile THE SOURCE OF MAGIC Curious about the source of Xanth s magic the King sends Bink on a daring quest for truth From the beginning Bink and his companions are harried by an unseen creature determined to thwart them But when some allies become enemies it will take all Bink s ingenuity and luck to prevail on his mission which takes an unexpectedly defiant turn CASTLE ROOGNA Millie had been a ghost for eight hundred years But now restored by the magic of Xanth she is again a beautiful living woman She can have any man she desires except one Jonathan the zombie To help Millie young Magician Dor embarks on a journey for the elixir that will restore Jonathan to full life an adventure that will take him to the past where his intentions are thwarted by a surprising encounter Discover a magical world of dazzling imagination

A Spell for Chameleon Piers Anthony, 1987-03-12 BEST NOVEL OF THE YEAR BRITISH FANTASY SOCIETY Discover the magical beginning of Piers Anthony s enthralling Xanth series Xanth was the enchanted land where magic ruled where every citizen had a special spell only he could cast It was a land of centaurs and dragons and basilisks For Bink of North Village however Xanth was no fairy tale He alone had no magic And unless he got some and got some fast he would be exiled Forever But the Good Magician Humfrey was convinced that Bink did indeed have magic In fact both Beauregard the genie and the magic wall chart insisted that Bink had magic Magic as powerful as any possessed by the King or by Good

Magician Humfrey or even by the Evil Magician Trent Be that as it may no one could fathom the nature of Bink's very special magic Bink was in despair This was even worse than having no magic at all and he would still be exiled Thus begins Piers Anthony's enthralling Xanth series Science Fiction & Fantasy Book Review Annual ,1989 *Fantasy Newsletter* ,1983
