**First-grade Manual** Emma Miller Bolenius, 1923 Vernacular Literacy International Group for the Study of Language Standardization and the Vernacularization of Literacy, 1997 This book contains first hand information on the history, economics and politics surrounding literacy issues all over the world. Discussions are supported by case studies of campaigns to promote vernacular languages and examples of how people relate to their languages in different cultures. Providing a non Western perspective, the contributors question traditional notions of the uses of literacy.
