The Holy Scriptures:

Commentary on the Holy Scriptures of the New Testament Averky Taushev, 2021-01-04 Archbishop Averky approaches the New Testament first and foremost not as a literary work of antiquity but as the revelation of Jesus Christ as God in the flesh Writing in the tradition of biblical exegetes he provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language Archbishop Averky's commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present collection makes the complete commentary available in one collection for the first time It is an indispensable addition to the library of every student of Holy Scripture
