**The Inward Vision** R. H. J. Stuart,1931     **Augustine's Invention of the Inner Self** Phillip Cary,2003-04-03 In this book Phillip Cary argues that Augustine invented the concept of the self as a private inner space a space into which one can enter and in which one can find God Although it has often been suggested that Augustine in some way inaugurated the Western tradition of inwardness this is the first study to pinpoint what was new about Augustine s philosophy of inwardness and situate it within a narrative of his intellectual development and his relationship to the Platonist tradition Augustine invents the inner self Cary argues in order to solve a particular conceptual problem Augustine is attracted to the Neoplatonist inward turn which located God within the soul yet remains loyal to the orthodox Catholic teaching that the soul is not divine He combines the two emphases by urging us to turn in then up to enter the inner world of the self before gazing at the divine Light above the human mind Cary situates Augustine s idea of the self historically in both the Platonist and the Christian traditions The concept of private inner self he shows is a development within the history of the Platonist concept of intelligibility or intellectual vision which establishes a kind of kinship between the human intellect and the divine things it sees Though not the only Platonist in the Christian tradition Augustine stands out for his devotion to this concept of intelligibility and his willingness to apply it even to God This leads him to downplay the doctrine that God is incomprehensible as he is convinced that it is natural for the mind s eye when cleansed of sin to see and understand God In describing Augustine s invention of the inner self Cary s fascinating book sheds new light on Augustine s life and thought and shows how Augustine s position developed into the more orthodox Augustine we know from his later writings     **The Inward Light** Amory Howe Bradford,1905     **The Brahmvâdin** ,1910     **Inward Vision** Basil Wilberforce,1914     **The Mount of Vision** Adeline Cashmore,1910     **The Heavenly Vision** Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Memorial Day weekend conference held in Philadelphia Pennsylvania May 23 26 2014 The general subject of the conference was The Heavenly Vision Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ
