Meanwhile Vancouver police detectives Jack Willows and Claire Parker are investigating the murder of a city police officer who had a very arcane sex life But is that the key to his death Once again Laurence Gough brilliantly evokes the sights and sounds of Vancouver as Willows and Parker do whatever it takes to solve the murder of a fellow cop no matter where the investigation leads them

The Trouble in Suriname, 1975-1993 Edward M. Dew, 1994-11-30 Written by the leading political expert on Suriname this thrilling tale describes ethnically inspired guerilla warfare terrible human rights violations military coups painful redemocratization processes and economic implosion Although part of the American family of nations in the Western Hemisphere there is almost nothing written about Suriname as a modern country There are some ethnographies some histories of ex slave rebellions and passing references to the atrocities of colonial plantation systems After that the dark clouds of obscurity close over a fascinating if beleaguered close American cousin one whose history as an independent nation has much to say to the strife ridden trouble spots of the 1990s Bosnia Sri Lanka Liberia and Nicaragua
