The Quiet One:

The Future of Aviation United States. Congress. House. Committee on Science and Technology. Subcommittee on Aviation and Transportation R. & D.,1976 Nonfiction Film Richard Barsam,1992-11-22 Richard Barsam has given us as comprehensive a study of the origins and development of the nonfiction mode in motion pictures as we are ever likely to have in one volume He draws on all the major written sources and many which are little known and he shares with us many eloquent descriptions of the films themselves giving us a valuable textbook Richard Dyer MacCann superb work *Historical Journal of Film Radio and Television* **James Agee, Omnibus, and Mr. Lincoln** William Hughes,2004-08-02 In 1952 CBS in conjunction with the Ford Foundation launched Omnibus a remarkable experiment in television The objective was to raise the programming standards of an emerging medium that figured to profoundly influence American life The centerpiece of Omnibus during its inaugural season was Mr Lincoln a series of five films about the early life of our foremost political icon James Agee the distinguished American author was the principal creator of Mr Lincoln At the time his scripts were hailed as the most beautiful writing ever done for television and even today Agee s characterization of Lincoln remains among the finest perhaps the finest film about Abraham Lincoln ever made Regrettably this important and sensitive work a revealing expression of American culture at mid century has been consigned to the archives and has not been available to the public for many years Author William Hughes aims to keep alive Agee s neglected masterpiece placing Mr Lincoln in the context of the period s prevailing ideology Cold War liberalism and conveying the institutional framework in which the work originated In addition Hughes takes into account Agee s personal experiences his social and political views and his related writings for and about film all of which came into play when he reworked the Lincoln legend for the television age Based on extensive archive research and an interview with Norman Lloyd who directed the five films this book fully documents the cultural and historical importance of Mr Lincoln Is America Falling Apart? Mahnaz B. Consolver,2010-06-10 Before Mahnaz Consolver came to the United States she held some positive preconceived notions about the people and the lifestyles in the country But what she found surprised her In this memoir Consolver shares her impressions framed by her experiences as an immigrant and provides ideas and solutions to maintain the United States status as the land of opportunity In *Is America Falling Apart* Mahnaz discloses a wealth of observations and concludes with a list of lessons shes learned while living in the United States From the moment she departed the airplane and entered the airport Mahnazs life became a series of new and different experiences She comments on everything American including bathrooms drug use homelessness media television video games driving wastefulness sports and even dogs Through these observations experienced by someone new to the country Mahnaz hopes to wake up the American public and encourage them to get involved to solve the problems that threaten this land of glory Figment of the Heart Michelle Woody,2003-06-10 Lucy Damarus is a Vice cop working undercover on the streets With seventeen files of missing prostitutes and three dead bodies Lucy must risk her life to solve the case before the
