A masterpiece. Bonnie Jean Miller, MDI Kellogg School of Management at Northwestern University. **Inner Harmonies** John Kadela, Ph.D., 2018-09-19. These books are about listening. It addresses the wisdom already within you. It was there before you were born and it will be there after you leave. It is beyond the distractions of the body, conflicts with the emotions, and the contradictions of the mind. It is about you, who you are, and listening to who you are. It is to help you to find your own direct knowledge with your energy and truth in creating abundance and balance in your life. It is about the stillness of your soul and all its inner harmonies that are your spiritual expression. It brings forth your innocence, truth, blessings, miracles, consecration, grace, and living love. You are a creative being whose keys to your emergence lie deep within you. This emergence is beyond space and time and its plays as your inner verse. You are poetry of being. It is time for you to claim it and to love yourself and all others with the sources within you. It is your soul awareness. Star of the West, 1928
