They Are Always With Me:

Jesus Was & Is Always with Me Eugene McCann,2012-06-28 *Always With Me* Michael Laitman,2021-09-23 *Always With Me* is more than a memoir about my teacher It is both an exposition of a spiritual path and an intimate account of a great kabbalist it details the formation and evolution of the relationship and joint study of a teacher and his devoted disciple Through a profound bond conflicts assistance and rejections devotion protests ascents and descents the teacher imbued in me the wisdom of Kabbalah RABASH was the standard bearer the last in a line of spiritual giants dedicated to conveying the secret wisdom to humankind The two great kabbalists Baal HaSulam and his firstborn son and prime disciple RABASH handed the wisdom of Kabbalah to our generation My own books are merely an accompaniment while their books the primary sources are paramount I speak from experience having lived twelve years side by side with my teacher RABASH It is to RABASH that I owe everything I know and it was RABASH who instructed me to disseminate the wisdom of Kabbalah Some have told me that this book is read in one breath Indeed *Always With Me* permeates the soul and opens a flow of oxygen that once inhaled is impossible to relinquish It is built on an eternal unbreakable bond between two Kabbalists As you read the book you will inhale the energy of this bond the energy of eternity **The One Who Loves You** Shannon Luders-Manuel,2025-02-11 I m still getting the brakes fixed and when that s done I m coming to see you probably in a couple of weeks As I keep fixing this and that the car will finally become reliable from bumper to bumper and I can visit any time and often I ll call before I come down and remember I m Robert Conrad Martin Luther King Manuel The one who loves you As a child Shannon Luders Manuel felt like an outsider in every environment she entered Born to a Black father and white mother who separated when she was three Luders Manuel grew up with her white extended family in largely white areas of California Throughout her life she yearned to understand her charismatic transient father whose promises were rarely kept who struggled with alcohol and violence and whose love she desperately needed How could she find a place among two worlds one white and one Black when they felt so different Luders Manuel sought guidance in Baptist religion becoming a born again Christian at age fourteen and eventually found herself in an abusive relationship When her father entered hospice care when she was just twenty four she became his caretaker despite their long estrangement and hoped to find connection while she still could Instead she learned that neither man nor God could give her the home she needed she would have to build her own sense of self *The One Who Loves You* eloquently speaks not only to mixed race individuals but to anyone who struggles with being labeled by others and to those who seek to reconcile the most contradictory parts of their own identities
