Things Beyond Midnight:

Things Beyond Midnight William F. Nolan, Richard Christian Matheson, 2000-08-01 A fantastic collection of 20 horror and fantasy stories from the author of Logan's Run **TRUTH SALAD** Dr Abhijit Sinha Roy, 2020-03-03 Medical science is one of the very few professions where the client/patient in this context needs to come clean about their lives and share their deepest secrets with doctors. Given the nature of the profession, doctors continue to probe not just the physical aspects but also extend into the lifestyle of the patient and arrive at a final diagnosis. In the process, an observant doctor becomes recipient to insights on the emotions and characters of the patient and the people in the patient's life; these insights come in their truest form: raw, authentic, and unprocessed. Truth Salad is a compilation of several such interesting insights gathered from incidents that depict a variety of emotions and the inner characters of people. Just like in a fruit salad where there are sweet, sour, and tangy fruits that have distinct tastes separately yet taste delicious when they come together, you can feel different tastes in Truth Salad. It is served to you fresh and as is, except for some occasional garnishing to make it yummier. While some incidents will bring a smile on your face, others will make you feel sad. Each and every incident described is true, thus the name Truth Salad. Most of the incidents described are from the author's personal experiences as a medical professional. The places of the incidents are not identified, and names have been changed to maintain confidentiality.

Aiming at Truth N. Unwin, 2006-11-28 This book argues that it is not obvious what we mean by saying our beliefs and assertions are truth-directed. Do we weaken our notion of a belief if we deal with radical scepticism without surrendering to idealism? This book defends a radically new ecological model of knowledge, examining what might happen if we abandoned genuine belief. **Things Beyond Midnight** William F. Nolan, **The Work of William F. Nolan** Boden Clarke, 1988
