your mind and your thoughts in a different place It ll show you the abundance you have in your life rather than the scarcity You ll be thankful rather than regretful You will be looking forward rather than looking back You will be heading toward something rather than running from something You will be finishing something rather than saying someday I will You get the idea This works This will work for you It s working for people right now I guarantee you will be in a different place in thirty days Or your money back I challenge anyone to do the things I m asking for thirty days and not be moved It s definitely changed my life a hundred percent and I know it can do the same for you Take a chance I know you will be pleasantly surprised I know it in my heart that this will work for you and I can t wait to hear about your challenge your breakthrough It s right around the corner It s only thirty days away Best wishes and good luck on your journey Universal Dictionary of the English Language Robert Hunter, Charles Morris, 1897
