Technical Communication After the Social Justice Turn Rebecca Walton, Kristen Moore, Natasha Jones, 2019-05-16 This is the first scholarly monograph marking the social justice turn in technical and professional communication TPC Social justice often draws attention to structural oppression but to enact social justice as technical communicators first we must be able to trace daily practice to the oppressive structures it professionalizes codifies and normalizes *Technical Communication After the Social Justice Turn* moves readers from conceptual explorations of oppression and justice to a theoretical framework that allows for the concepts to be applied and implemented in a variety of practical contexts It historicizes the recent social justice turn in TPC scholarship models a social justice approach to building theories and heuristics and presents scenarios that illustrate how to develop sustainable practices of activism and social justice Its commitment to coalition building inclusivity and socially just practices of citation and activism will support scholars teachers and practitioners not only in understanding how the work of technical communication is often complicit in oppression but also in recognizing revealing rejecting and replacing oppressive practices

Egalitarian Perspectives John E. Roemer, 1996-09-28 Fifteen essays written over the past dozen years explore contemporary philosophical debates on egalitarianism using the tools of modern economic theory general equilibrium theory game theory and the theory of mechanism design **Viewpoints**, 1930

Media Ethics in the South African Context Lucas M. Oosthuizen, 2002 This text explores the dynamic and potentially explosive field of media ethics from a South African perspective Grounded in ethical theory the public philosophies of communication and media performance norms this text provides guidelines for individual ethical decision making to media practitioners and media groups The author's analysis of the South African normative context under the previous and present political dispensations will be of interest to media policy formulators and students alike Current contentious issues such as racism in the media the plans for media development in this country the reporting of violence and crime the right to privacy and the media and advertising all come under intense scrutiny Addenda include rules of procedure and the code of conduct of the Press Ombudsman of South Africa the constitution code and procedures of the Broadcasting Complaints Commission of South Africa and the code of conduct of the Public Relations Institute of Southern Africa **Worldwide Perspectives on**
