**Inventory** ,1931      **With Red Hands** Stephen Woodworth,2004-12-28 Natalie Lindstrom was once one of an elite group of investigators with the power to interview the dead victims of violent crime But now Natalie has had enough Enough of the violence Enough of the darkness that has already gotten too close to her five year old daughter Yet as she tries to build a new life and protect her child from the world she has left Natalie still knows injustice when she sees it And she knows that in a high profile California trial a young man is getting away with murder The case against Prescott Hyland Jr is airtight until a corrupt Violet delivers devastating testimony against another man Now Natalie is being drawn back into her former career and a danger far worse than she can imagine For while one killer is being tried in a courtroom another has gone horribly free to unleash a storm of vengeance aimed straight for the heart of Natalie s new life Because in the world of the Violets sometimes your past can literally come back to haunt you      **Inventory** United States.
