## **Voodoo Shop:**

Hoodoo, Voodoo, and Conjure Jeffrey E. Anderson, 2008-10-30 Hoodoo voodoo and conjure are part of a mysterious world of African American spirituality that has long captured the popular imagination. These magical beliefs and practices have figured in literary works by such authors as Toni Morrison, Alice Walker, and Ishmael Reed, and they have been central to numerous films such as *The Skeleton Key*. Written for students and general readers, this book is a convenient introduction to hoodoo, voodoo, and conjure. The volume begins by defining and classifying elements of these spiritual traditions. It then provides a wide range of examples and texts which illustrate the richness of these beliefs and practices. It also examines the scholarly response to hoodoo, voodoo, and conjure and it explores the presence of hoodoo, voodoo, and conjure in popular culture. The volume closes with a glossary and bibliography. Students in social studies classes will use this book to learn more about African American magical beliefs, while literature students will enjoy its exploration of primary sources and literary works.

**City of the Undead** Robin Ann Roberts, 2023-09-13 From its looming above ground cemeteries to the ghosts believed to haunt its stately homes, New Orleans is a city deeply entwined with death, the undead, and the supernatural. The reasons behind New Orleans's reputation as America's most haunted city are numerous. Its location near the mouth of the Mississippi River grants it a liminal status between water and land, while its Old World architecture and lush moss-covered oak trees lend it an eerie beauty. Complementing the city's mysterious landscape, spiritual beliefs and practices from Native American, African, African American, Caribbean, and European cultures mingle in a unique ferment of the paranormal. An extremely high death rate in the eighteenth and nineteenth centuries and a long history of enslavement and oppression have also produced fertile soil for stories of the undead. Focusing on three manifestations of the supernatural in New Orleans—Voodoo, ghosts, and vampires—Robin Roberts argues that the paranormal gives voice to the voiceless, including victims of racism and oppression, thus encouraging the living not to repeat the injustices of the past.

**The Accidental Santera** Irene Lazo, 2008-10-14 A one-of-a-kind novel that plunges readers into the secrets of Afro-Cuban Santería, a world of fascinating beauty, pulsating rhythms, and great mystery. Gabrielle Segovia, Ph.D., is struggling to build a career as a Latina scientist, cope with her third miscarriage, and resuscitate her marriage to fellow biology professor Benito Cruz. Becoming a santera is not in her plans. But everything changes when her best friend, the feisty Patricia Muñoz, drags her into a French Quarter voodoo shop during a conference in New Orleans. When Gabrielle gets home to the San Francisco Bay Area, the predictions from her on-a-whim readings begin to come true. That's when she learns she hails from a long line of practitioners of Santería, the religion created when Yoruba slaves combined their ancient rituals with Catholicism. Out of desperation to become a mother and save both her job and her marriage, Gabrielle turns to Puerto Rican relatives living in Miami she hasn't seen since she was a child. She finds herself warmly embraced by three generations of Segovia santeras and drawn into their world of sacred drums, ritual animal sacrifice, and unexpected initiation by the gods and goddesses of the Yoruba pantheon.

Gabrielle must decide whether she can bring herself to answer the call And if she chooses commit to the seemingly contradictory life of a scientist who is also a santera In this powerful debut novel Irete Lazo captures a vibrant world still unknown to many and relates a journey that is at once funny heart wrenching and ultimately triumphant **The Darkest Gift** Len Handeland,2021-08-05 When a self loathing Gay man Jack meets elegant yet incredibly mysterious Laurent Richelieu he thinks his stroke of bad luck with men and women has come to an end Or is it the beginning of a nightmare Jack is unaware of the dark history that unfolded centuries earlier with Laurent s lover and vampire maker Fabien Levesque who was destroyed in front of him in a jealous fit of rage by his vampire maker Stefan exacting revenge for Fabien s rejection of him As Jack and Laurent begin their courtship Jack encounters horrifying experiences involving paranormal experiences vampirism and possible reincarnation making him question his sanity The more time Jack spends with his mysterious European love interest the more revealed about the dark secret awaiting Jack Are they destined to be together does Laurent honestly care for Jack Or is there a much more sinister plot involved Can the help of a self described Voodoo High Priestess named Queen Raphaella alter Jack s predestined future or is his fate already sealed **Silhouettes: A Fairplay Novel Featuring Private Investigator Adrienne Hargrove** Karen Harmon,2008-09-22 Private Investigator Adrienne Hargrove has seen every kind of human depravity but online predators grooming teenaged girls so they can abuse them seems the most depraved of all The fact that often the predators are people the young victims know only adds to the horror The world of Internet chat rooms seems like a world of science fiction to Adrienne until Detective Mike Morris asks her to assist him in the case of two missing girls Abigail Montgomery and Matilda Morning Abigail has been found dead in New Orleans and Matilda is still missing With warnings of Hurricane Katrina in every weather report Adrienne and Mike head to New Orleans where Voodoo Priestess Madam Helene Dupre sends a message that she believes she can help them find Matilda As Adrienne and Mike do all they can to find the girl they become aware of another kind of human depravity Evacuated to the Superdome in New Orleans following the hurricane they see firsthand the nightmare of poverty racial discrimination government failure and human hopelessness at its very worst Does Madam Dupre have the power to help or is she a hoax Will Mike and Adrienne find Matilda in time or is it already too late This case is one that will change them both forever **No Rest for the Witches** MaryJanice Davidson,Cheyenne McCray,Christine Warren,Lori Handeland,2007-10-02 Presents a quartet of erotic paranormal romance that includes Lori Handeland s Voodoo Moon in which FBI Agent Dana Duran discovers that the seductive power of voodoo may hold the key to stopping a supernatural serial killer [Flash Frights: 50 Terrifying Tales of Horror](#) Ishan Khan, Flash Frights is a chilling collection of 50 concise and spine tingling horror stories that will send shivers down your spine Dive into a world of terror and suspense as each tale unfolds offering quick but potent doses of fear and excitement From ghostly apparitions to sinister creatures this anthology promises to keep readers on the edge of their seats delivering a relentless onslaught of scares and thrills in bite sized portions Perfect for those seeking a quick adrenaline rush

William M. Ashcraft,Eugene V.
